III. ENFORCEMENT OF THE PUERTO RICO ELECTRIC POWER AUTHORITY FY24 BUDGET

Section 1.- All expenditures authorized in any prior fiscal year are terminated and no disbursement of public funds may be covered by such expenditure authorization, except: (1) expenditures to carry out capital improvements that have been accounted for and kept on the books in fiscal year 2023 and in fiscal year 2024; (2) capital and maintenance expenditures with procurement cycles that extend beyond the end of fiscal year 2023 that have been accounted for and kept on the books in both fiscal year 2023 and fiscal year 2024; (3) the portion of any other expenditures authorized in the Puerto Rico Electric Power Authority ("PREPA") Certified Budget for fiscal year 2024; and (4) the portion of the appropriations authorized for fiscal year 2023 that have been allocated, transferred or designated on or before June 30, 2023. This restriction on expenditures authorized in any prior fiscal year shall not apply to: (i) programs financed in whole or part with federal funds; (ii) orders by the United States district court with jurisdiction over all matters under Title III of PROMESA; and (iii) matters pertaining to any consent decree or injunction, or an administrative order or settlement entered into with a Federal Agency, with respect to Federal programs. In addition, the foregoing exceptions to the restrictions on expenditures authorized in any prior fiscal year are conditioned on the prior written approval of the Oversight Board.

Section 2.- On or before August 31, 2023, the Executive Director of PREPA will provide to the Oversight Board a certification indicating whether there are any unused amounts of the fiscal year 2023 certified budget for items (1), (2), (3), and (4) of Section 1 and, if so, an itemization of such unused amounts.

- **Section 3.-** Notwithstanding any other statement, no unused budget allotments from any previous fiscal year shall be used by PREPA to fund current fiscal year expenditures, except as otherwise expressly authorized by the Oversight Board in writing after June 30, 2023.
- **Section 4.-** The Executive Director of PREPA shall be responsible for not spending or encumbering during fiscal year 2024 any amount that exceeds the expenditures authorized for HydroCo and HoldCo herein for fiscal year 2024.
- **Section 5.-** Except for additional expenditures related to fuel and purchased power, the expenditures approved in this budget, including payroll and related expenses, may only be reprogrammed with the prior express written approval of the Oversight Board. For the avoidance of doubt, this prohibition includes any reprogramming of any amount, line item or expenditure provided in this budget. In the case of reprogramming to the fuel and purchased power budget, the Executive Director of PREPA must provide written notice to the Oversight Board of any change to such amounts within 5 days after any such change taking place.

Section 6.- Pursuant to Section 203 of PROMESA, PREPA must submit to the Oversight Board, no later than 15 days after the last day of each quarter of fiscal year 2024, a budget to actual report, along with an explanation of relevant variances as provided in the certified Fiscal Plan. The Oversight Board may determine to provide to PREPA a template to be used for such reporting, in

APPENDIX A (Page A-6)

which case any quarterly budget to actual reports submitted by PREPA must be submitted consistent with such reporting template.

Section 7.- The Oversight Board reserves the right to, in its sole discretion, issue a notice to the Governor, pursuant to PROMESA Section 202(a), setting forth a schedule for revising PREPA's budget.

Section 8.- The PREPA budget for fiscal year 2024 shall take effect on July 1, 2023.

FINANCIAL OVERSIGHT AND MANAGEMENT BOARD FOR PUERTO RICO

June 30, 2023

RESOLUTION CERTIFYING THE FISCAL YEAR 2024 BUDGET FOR THE PUERTO RICO ELECTRIC POWER AUTHORITY

WHEREAS, on June 30, 2016, the federal Puerto Rico Oversight, Management, and Economic Stability Act ("PROMESA") was enacted; and

WHEREAS, Section 101 of PROMESA created the Financial Oversight and Management Board for Puerto Rico (the "Oversight Board"); and

WHEREAS, Section 202(c) of PROMESA establishes a multi-step procedure for the development, review, and approval of a budget for covered instrumentalities of the Commonwealth of Puerto Rico, such as the Puerto Rico Electric Power Authority ("PREPA"), providing that: (i) the Governor must submit a proposed budget to the Oversight Board; (ii) the Oversight Board must review the proposed budget and determine, in the Oversight Board's sole discretion, either that the proposed budget complies with the applicable fiscal plan or that it does not, in which case the Oversight Board must issue a notice of violation ("NoV") and recommended revisions, giving the Governor an opportunity to correct the violations; (iii) the Governor may then submit a revised proposed budget; and (iv) if the Governor fails timely to submit a proposed budget that the Oversight Board determines in its sole discretion is a compliant budget, the Oversight Board shall develop and submit to the Governor its own compliant budget; and

WHEREAS, by letter dated March 21, 2023, the Oversight Board, pursuant to Section 202(a) of PROMESA, submitted to the Governor a schedule for developing, submitting, approving, and certifying the Fiscal Year 2024 budget for PREPA; and

WHEREAS, on May 1, 2023, the Puerto Rico Public-Private Partnerships Authority (the "P3 Authority") informed LUMA Energy, LLC ("LUMA") of its determination with respect to the Fiscal Year 2024 budget allocation pursuant to the 2017 Rate Order; and

WHEREAS, on June 23, 2023, the Oversight Board certified the 2023 Fiscal Plan for PREPA (the "Fiscal Plan");

WHEREAS, on June 23, 2023, the Oversight Board, pursuant to Section 202(b) of PROMESA, submitted to the Governor and Legislature a forecast of revenues to be used in preparing the fiscal year 2024 budget for PREPA; and

WHEREAS, on June 23, 2023, the Governor submitted a proposed Fiscal Year 2024 budget for PREPA; and

WHEREAS, on June 25, 2023, the Puerto Rico Energy Bureau ("PREB") approved a modified proposed consolidated Fiscal Year 2024 budget through a Resolution and Order ("R&O"); and

WHEREAS, on June 27, 2023, pursuant to Section 202(c)(1)(B) of PROMESA, the Oversight Board provided to the Governor a NoV, whereby the Oversight Board determined that the proposed Fiscal Year 2024 budget for PREPA required revisions before the Oversight Board could certify it as compliant with the Fiscal Plan and the requirements of PROMESA; and

WHEREAS, on June 28, 2023, the Governor submit a revised proposed Fiscal Year 2024 budget for PREPA; and

WHEREAS, the Oversight Board takes notice of PREPA's stated intent to file with PREB a request for reconsideration of the June 25, 2023 R&O; and

WHEREAS, at this time, the Oversight Board concurs with PREB's determination and, after substantial determinations, has determined that the proposed Fiscal Year 2024 budget for PREPA does not reflect a compliant budget as required by Section 202(c)(2) of PROMESA;

WHEREAS, the Oversight Board has developed a compliant Fiscal Year 2024 budget for PREPA that is consistent with the budget outlined in PREB's June 25, 2023 R&O, which budget is attached hereto as Exhibit 1 (the "Fiscal Year 2024 PREPA Budget");

WHEREAS, in certifying a budget that is consistent with PREB's proposed Fiscal Year 2024 budget for PREPA, the Oversight Board is exercising its rights and powers under PROMESA to approve and certify a final, binding budget for PREPA; and

WHEREAS, the Oversight Board may revise in its sole discretion the Fiscal Year 2024 PREPA Budget based on future events, such as any reconsideration by PREB of the R&O; and

NOW, THEREFORE, IT IS HEREBY RESOLVED THAT, pursuant to Sections 202(c)(2) and 202(e)(4) of PROMESA, the Oversight Board shall submit to the Governor the Fiscal Year 2024 PREPA Budget, and such budget shall be (i) deemed to be approved by the Governor; (ii) the subject of a compliance certification to be issued by the Oversight Board to the Governor; and (iii) in full force and effect beginning on July 1, 2023.
