Additional Disclaimers

All information provided is presented as draft, preliminary, and subject to change.

- Budget vs. Recorded Revenue and Expenditure figures are based on information obtained from the Puerto Rico Integrated Financial Accounting System 'PRIFAS 7.5' Financial Accounting System and from individual Budget-to-Actual report submissions provided by Core and Secondary Independently Forecasted Component Units ("IFCUs").
- Various Central Government agencies such as the Department of Education, the Department of Health, the Puerto Rico Administration of Mental Health and Anti-Addiction Services, the Department of the Treasury and the Environmental Quality Board operate in Financial Systems other than PRIFAS 7.5. Such entities operating on external Financial Accounting Systems periodically transfer financial accounting information to the PRIFAS 7.5 Central Government System through interfaces, which may result in timing differences. Additionally, encumbrances from these agencies are not reflected in PRIFAS 7.5.
- Budget vs. Recorded Expenditures figures could be limited to financial information pending transfer to PRIFAS 7.5 as well as various adjustments, including journal entry errors.
- It is the sole responsibility of the Central Government instrumentalities and Component Units at an agency level to maintain proper and up-to-date accounting of its operations.
- Current Financial Accounting Systems encounter several deficiencies regarding their control structures. Certain measures are in place, and will continue to be implemented, to address these control structure deficiencies.
- The Government of Puerto Rico is committed to providing accurate and complete information.
- Various periodic and ad-hoc reporting packages are currently distributed for different purposes and scopes. It is important to distinguish the scope of this Budget vs. Recorded Revenue and Expenditure report from others, such as reports on Fiscal Year Budget vs. Cash Outlays, Non-Central Government instrumentalities reports, or Special Revenue Funds, and reports on transfers related to the TSA.
- Throughout time, multiple government instrumentalities and programs have been created, consolidated and/or dissolved.
- This Budget vs. Recorded Expenditures exercise might not include all Inter-Agency balances.
- The data herein could potentially lack necessary entries and charges as of the date of this report, affecting its accuracy.
- Budget figures are presented as Certified Budget by the FOMB for FY25 and are adjusted for FOMB-approved reapportionments or adjustments. General Fund Budget presents adjusted figures net of reapportionment transfers as accounted for in PRIFAS, as of the date of this report.
- Expense-related journal entry errors were considered as actual expenses, as these can be tied directly to a fund, agency, and spend concept.
- Limitations exist regarding the visibility of budget distribution from Agency 17 (appropriations under custody of OMB) to other agencies.
- There are limitations in the reporting from 'PRIFAS 7.5' and from the CUs relating to the identification of expenses by funding source. As a result, some assumptions may be needed to allocate expenses by fund source and by expense concept. Actual results by concept are allocated based on mapping of actual spend at the CUs to each expense concept and fund type.
- The Government is committed to provide and comply with all reporting requirements, and will provide an updated version of the report as information becomes available.
- Efforts are underway to address deficiencies in the proper recording and accounting of PayGo. As issues continue to develop, the Central Government's primary financial system may present incomplete information. Information is currently presented per the Retirement System (GL200), which is the best available source of data.
- Fund 221 'Schoolwide' from the Department of Education, has been excluded from this report, previously reported as SRF, and will be excluded from all reports going forward; as this relates to a combination of General Fund and Federal Funds.
