**EXECUTIVE SUMMARY**

Component Units Actual Results for the Month of May 2022

(figures in \$000's)	FY22 Actual YTD	FY22 LP YTD	Variance YTD FY22 vs. LP
<b>Component Units</b>			
<b>Puerto Rico Ports Authority ("PORTS")</b>			
PORTS Cash Inflow	\$117,066	\$135,660	(\$18,594)
PORTS Cash Outflow	(113,098)	(135,457)	22,359
PORTS Net Cash flow	\$3,968	\$203	\$3,765
PORTS Commentary:	Net cash flow vs. Liquidity Plan is \$3.9M favorable due to federal funds received from ARPA and CARES Act funds, in addition to timing variance in CapEx spending and delay in PayGo payments, partially offset by paydown of Accounts payable with those federal funds, as well as below Liquidity Plan cruise ship revenues.		
<b>Medical Services Administration ("ASEM")</b>			
ASEM Cash Inflow	\$193,102	\$156,406	\$36,696
ASEM Cash Outflow	(197,044)	(149,905)	(47,139)
ASEM Net Cash flow	(\$3,942)	\$6,501	(\$10,443)
ASEM Commentary:	The unfavorable net cash flow vs. Liquidity Plan of (\$10.4M) is due primarily to lower physician and medical plan receipts and higher CapEx vs. forecast. Liquidity risks at ASEM are exacerbated by timing/collection risk associated with large institutional payers within the Dept. of Health, which are (\$10.0M) behind forecast. These items are partially offset by \$13.0M in higher General Fund appropriations not forecast related to incentives, former PREPA employees, and Law 24-2017.		
<b>Puerto Rico Integrated Transit Authority ("PRITA")</b>			
PRITA Cash Inflow	\$120,342	\$106,658	\$13,684
PRITA Cash Outflow	(112,394)	(102,666)	(9,728)
PRITA Net Cash flow	\$7,948	\$3,992	\$3,956
PRITA Commentary:	Net cash flow vs. Liquidity Plan is \$4.0M favorable given positive net receipts of General Fund appropriations at ATM for P3 and CapEx, partially offset by operating payments at AMA and ATM.		
<b>Puerto Rico State Insurance Fund Corporation ("FONDO")</b>			
FONDO Cash Inflow	\$618,890	\$589,787	\$29,102
FONDO Cash Outflow	(465,705)	(450,206)	(15,500)
FONDO Net Cash flow	\$153,185	\$139,582	\$13,603
FONDO Commentary:	Year-to-date, favorable net cash flow compared to Liquidity Plan of \$13.6M is primarily due to higher premiums collections than forecast driven by disaster- and construction-related projects, partially offset by higher payroll expenses.		
<b>Health Insurance Administration ("ASES")</b>			
ASES Cash Inflow	\$4,177,836	\$2,371,646	\$1,806,189
ASES Cash Outflow	(3,680,142)	(2,302,770)	(1,377,373)
ASES Net Cash flow	\$497,693	\$68,877	\$428,816
ASES Commentary:	Favorable net cash flow of \$428.8M compared to Liquidity Plan is due to increases in federal fund allotments from CMS, partially offset by higher premiums and related costs due to the increases in program expenses considerate of increased beneficiaries within the Vital Plan.		
<b>Puerto Rico Public Buildings Authority ("PBA")</b>			
PBA Cash Inflow	\$133,932	\$127,203	\$6,729
PBA Cash Outflow	(148,884)	(143,272)	(5,612)
PBA Net Cash flow	(\$14,953)	(\$16,070)	\$1,117
PBA Commentary:	Favorable net cash flow vs. Liquidity Plan of \$1.1M is primarily related to funds received related to Premium Pay and from Hacienda for payroll and related expenses of former PREPA employees. This was partially offset by higher operating expenses for maintenance of PBA's buildings. Note that a Plan of Adjustment payment of (\$49.2M) in Feb-22 is not captured in the performance vs. plan calculation.		
<b>Cardiovascular Center of Puerto Rico and the Caribbean ("Cardio")</b>			
Cardio Cash Inflow	\$75,641	\$77,718	(\$2,077)
Cardio Cash Outflow	(76,785)	(71,015)	(5,771)
Cardio Net Cash flow	(\$1,145)	\$6,704	(\$7,848)
Cardio Commentary:	Unfavorable net cash flow vs. Liquidity Plan of (\$7.8M) is driven by lower receipts from patient collections (net) vs. forecast and higher disbursements for purchased and professional services due to COVID-19 and incentives from state and federal sources, partially offset by incentives from Treasury and HHS to mitigate ongoing staffing shortages due to COVID-19.

Component Units Actual Results for the Month of May 2022

(figures in \$000's)	FY22 Actual YTD	FY22 LP YTD	Variance YTD FY22 vs. LP
<b>Component Units</b>			
<b>Puerto Rico Industrial Development Company ("PRIDCO")</b>			
PRIDCO Cash Inflow	\$62,501	\$58,415	\$4,087
PRIDCO Cash Outflow	(74,143)	(86,049)	11,906
PRIDCO Net Cash flow	(\$11,642)	(\$27,635)	\$15,993
PRIDCO Commentary:	Favorable \$15.9M in net cash flow is due to restricted operating activity, such as FEDE and RUMS transfers / expenses which were not considered in the Liquidity Plan, as well as favorable operating disbursements.		
<b>Puerto Rico Housing Finance Authority ("HFA")</b>			
HFA Cash Inflow	\$422,693	\$235,986	\$186,707
HFA Cash Outflow	(341,554)	(270,317)	(71,237)
HFA Net Cash flow	\$81,139	(\$34,331)	\$115,470
HFA Commentary:	Favorable net cash flow variance to the Liquidity Plan of \$115.5M is due to variances driven by debt service of \$29.7M, net balance sheet activity of \$19.0M, and net temporary variances from federal funds of \$10.0M. Operating disbursements resulted in a temporary variance of \$7.0M, while operating and intergovernmental receipts present a temporary variance of (\$11.3M). In Dec-21, HFA received \$72.6M in federal pass-through funds (ARPA) not forecast, of which (\$14.6M) have been disbursed, presenting a variance of (\$61.0M).		
<b>Tourism Company of Puerto Rico ("Tourism")</b>			
Tourism Cash Inflow	\$189,754	\$125,636	\$64,118
Tourism Cash Outflow	(116,513)	(105,847)	(10,667)
Tourism Net Cash flow	\$73,241	\$19,789	\$53,452
Tourism Commentary:	Favorable net cash flow variance of \$53.5M vs. Liquidity Plan is driven by outperformance of hotel room taxes and slot machine collections due to a strong rebound in tourism activity since Feb-21, including significantly improved hotel occupancy rates.		
<b>Fiscal Agency and Financial Advisory Authority ("AAFAF")</b>			
AAFAF Cash Inflow	99,361	\$78,544	\$20,817
AAFAF Cash Outflow	(86,658)	(86,565)	(93)
AAFAF Net Cash flow	\$12,703	(\$8,022)	\$20,724
AAFAF Commentary:	Favorable variance of \$20.7M vs. Liquidity Plan is due to \$20.8M in favorable receipts driven by \$13.2M in General Fund appropriations received and not forecast including reappropriations for a) budget increase of \$9.4M in Title III appropriations in accordance with the POA and b) budget increase of \$3.0M in non-Title III appropriations for a legal case settlement on behalf of the Commonwealth and, \$8.0M in favorable operating receipts from fiscal agency fees, MOUs, and pass-through funds.		
<b>Department of Economic Development and Commerce ("DDEC")</b>			
DDEC Cash Inflow	\$274,727	\$257,976	\$16,751
DDEC Cash Outflow	(236,769)	(262,379)	25,609
DDEC Net Cash flow	\$37,958	(\$4,402)	\$42,360
DDEC Commentary:	Favorable \$42.3M variance in net cash flow is due to \$26.4M of federal funds received during Jan-22 for future incentive payments, \$20.0M of COVID-19 relief funding, and transfer of restricted funds from PRIDCO relating to RUMS of Puerto Rico, offset by various other related operational activities.		
<b>Puerto Rico Convention Center District Authority ("CCDA")</b>			
CCDA Cash Inflow	\$70,422	\$40,832	\$29,590
CCDA Cash Outflow	(44,068)	(29,118)	(14,949)
CCDA Net Cash flow	\$26,355	\$11,714	\$14,640
CCDA Commentary:	Favorable net cash flow of \$14.6M compared to Liquidity Plan is due to \$23.6M in federal fund receipts (ARPA, SBA) due to loss revenues sustained since the onset of the COVID-19 pandemic not forecast, partially offset by increased event-related expenses (security, concessions, ticketing, etc.) due to the higher event volumes in FY22.		
<b>Puerto Rico Administration for the Development of Agricultural Enterprises ("ADEA")</b>			
ADEA Cash Inflow	\$69,396	\$79,472	(\$10,076)
ADEA Cash Outflow	(109,927)	(133,414)	23,487
ADEA Net Cash flow	(\$40,531)	(\$53,942)	\$13,411
ADEA Commentary:	Net cash flow vs. Liquidity Plan is \$13.4M favorable due lower operating expenses given reduced cafeteria operations, and \$32.8M favorable variance due to delay in subsidies and incentives. These were partially offset by permanent variance in FEMA expenses (\$1.3M) and (\$10.7M) variance in operating revenues, mostly due to school cafeterias.

**COMMONWEALTH OF PUERTO RICO**

*Schedule 1: Puerto Rico Ports Authority ("PORTS") - Actual Results, Month of May 2022*

**Primary Business Activity:** The Puerto Rico Ports Authority is responsible for developing, improving, and administering all types of transportation facilities and air and sea services, as well as establishing and managing maritime collective transportation systems in, from, and to Puerto Rico.

**Key Takeaways:** Year-to-date, cash increased by \$4.0M from \$123.0M to \$127.0M. Cruise operations continue to be impacted by COVID-19, receiving only about 25% of passengers as in a typical year, while regional airport is performing more in-line with the Liquidity Plan. Projected FY22 payroll and related costs are approximately \$8.8M or 39% higher than FY21 primarily due to the addition of 154 employees received from PREPA in Q1-FY22. Year-to-date, Ports has deferred \$16.5M in PayGo contributions given lower operating revenues from cruise operations. In Dec-21, Ports received \$20.0M in ARPA funds for operations, which have helped offset lower operating revenues, higher payroll, and past due payments for professional services. Ports projects to end FY22 with \$123.4M, of which \$15.9M is for operations and remaining amounts are reserved for CapEx and insurance projects.

**COMMONWEALTH OF PUERTO RICO**

*Schedule 2: Medical Services Administration ("ASEM") - Actual Results, Month of May 2022*

**Primary Business Activity:** ASEM plans, organizes, operates, and administers centralized health services, provided in support of the hospital and other functions, offered to member institutions and users of the medical complex, the Puerto Rico Medical Center.

**Key Takeaways:** Year-to-date, cash decreased by (\$3.9M) from \$10.6M to \$6.7M. The cash decline is due primarily to (\$6.9M) in lower physician and medical plan receipts collected vs. forecast and unfavorable timing of collections from institutions, which are (\$10.0M) behind forecast. These items are largely offset by \$13.0M in favorable General Fund appropriations not forecast including: \$4.8M in funds received related to Law 24-2017 intended for capital improvements at the Trauma Hospital; \$4.5M in Premium Pay and other incentives; and \$3.7M in funds received to cover expenses related to former PREPA employees. Approximately 85 employees were transferred from PREPA to ASEM in Jun-21 representing ~(\$4.3M) in incremental, annualized payroll and related expenses. In Jul-21, ASEM collected \$32.1M from the Dept. of Health on prior years' receivables not forecast, which were disbursed to UPR to eliminate outstanding debts incurred prior to FY22. There are ongoing risks to liquidity at ASEM primarily driven by timing/collection risk associated with large institutional payers. ASEM is currently working with the Dept. of Health to collect on additional receivables from prior years. Cash is currently projected to decline to \$5.9M by the end of FY22.

Schedule 3: Puerto Rico Integrated Transit Authority ("PRITA") - Actual Results, Month of May 2022

**Primary Business Activity:** PRITA serves as the Commonwealth's central transit authority and is tasked with operating its network of public transit buses and certain maritime vessels.

**Key Takeaways:** Year to date, cash increased by \$7.9M from \$18.5M to \$26.5M primarily due to the receipt of \$63.0M in General Fund appropriations, of which \$30.1M are for CapEx and for the P3 operator. Bus services continue to be significantly impacted by COVID-19, while ferry operations related to cargo has rebounded (Passenger traffic is now part of P3). PRITA's operating liquidity position remains strained, and they continue to rely on allocations from the General Fund and from cigarette tax receipts to supplement operations, and funds under custody of OMB to make P3 ferry operator payments. PRITA is expected to end FY22 with \$29.0M in liquidity.

Schedule 4: State Insurance Fund Corporation ("FONDO") - Actual Results, Month of May 2022

**Primary Business Activity:** Fondo provides workers' compensation and disability insurance to public and private employees. Fondo is the only authorized workers' compensation insurance company on the Island. Both public and private companies must obtain this security for their workforces by law.

**Key Takeaways:** Year-to-date, cash increased by \$153.2M from \$327.0M to \$480.2M. The cash build is primarily due to \$618.9M in premium collections, exceeding the (\$465.7M) in operating disbursements and checks outstanding. Premiums receipts are favorable to forecast by \$29.1M year-to-date due to higher volumes of construction and disaster-related projects, which is expected to be permanent for FY22 purposes. Premium collections are seasonal, with most collections occurring in July/September and January/February of each fiscal year. By law, Fondo's coverage provides for unlimited medical services to its insured population, and there is a high degree of variability in service and supplies costs to meet the need of patients. Due to the seasonality in collections and variability in cost of services, it is normal for Fondo to experience large cash swings. Fondo projects to end FY22 with \$416.7M in liquidity if budgeted transfers of (\$26.1M) are made to cover claims reserves.

**COMMONWEALTH OF PUERTO RICO**

*Schedule 5: Health Insurance Administration ("ASES") - Actual Results, Month of May 2022*

**Primary Business Activity:** ASES implements, administers, and negotiates the Medicaid Health Insurance System in Puerto Rico through contracts with third party insurance underwriters to provide quality medical and hospital care to the Puerto Rico Medicaid and Platino (Medicaid + Medicare dual-eligible) populations.

**Key Takeaways:** Year-to-date, cash increased by \$497.7M from \$54.3M to \$552.0M due to increased federal allotments authorized by the Center of Medicare and Medicaid Services (CMS) in Sep-21, which increased federal Medicaid funding to Puerto Rico to at least \$2.9B annually indexed to inflation. Subsequently, in Nov-21 the FOMB amended the FY22 Certified Budget to increase federal funds and subsequently decrease state funds by (\$786.7M) of identified savings to be withheld by Treasury under the custody of OMB, increasing the administration's Budget from \$2.5B to \$4.2B for FY22. The revised Certified Budget reflects an increase to the Federal Matching Assistant Percentage (FMAP) from 55% to 76% and 6.2% FMAP extension from the Families First Coronavirus Response Act. In Mar-22, the FOMB certified a revised General Fund Budget which reduces the total FY22 allocation from \$786.7M to \$597.1M considerate of additional federal appropriations and extension of the 76% FMAP thru Dec-22 approved in Mar-22 pursuant to the "Consolidated Appropriations Act, 2022". In Apr-22, the FOMB again revised the General Fund Budget reducing the total FY22 allocation from \$597.1M to \$538.2M due to renewal of the declaration of the Public Health Emergency ("PHE") in Apr-22 in response to the COVID-19 pandemic, which extends the temporary 6.2% FMAP from the Families First Coronavirus Response Act. Subsequently, ASES was requested to return (\$101.7M) and (\$58.9M) in surplus allocations back to Treasury in Apr-22 and Jun-22, respectively. A revised multiyear fiscal plan is pending to reflect these changes.

**Primary Business Activity:** PBA constructs, purchases, or leases office, school, health, correctional, social welfare, and other facilities for lease to certain Commonwealth departments, component units, and instrumentalities.

**Key Takeaways:** Year-to-date, cash decreased by (\$64.2M) from \$144.1M to \$79.9M primarily due to a (\$49.2M) Plan of Adjustment (POA) payment made in Feb-22. Additionally, payroll and related costs have been higher than prior years due to the addition of former PREPA employees. Payroll and related costs were (\$62.5M) for the eleven-month period through May 22, representing a 49.2% increase over the same eleven-month period the previous fiscal year. PBA received \$17.2M in General Fund appropriations in Mar-22 to account for part of the higher payroll expenses. PBA projects to end FY22 with \$97.9M in liquidity.

*Schedule 7: Cardiovascular Center of Puerto Rico and the Caribbean ("Cardio") - Actual Results, Month of May 2022*

**Primary Business Activity:** Cardio is a general acute care hospital providing specialized treatment to patients suffering from cardiovascular diseases.

**Key Takeaways:** Year-to-date, cash decreased by (\$1.1M) from \$37.2M to \$36.1M. The cash decline is due primarily to lower patient collections (net) than forecast and higher disbursements for purchased and professional services due in part to additional monies received from federal and state sources related to COVID-19 relief funds. Year-to-date, patient collections (net) are \$69.6M vs. \$76.8M forecast. The cash decline is partially offset by \$5.2M in special appropriations and incentives from Treasury, CARES Act, and the U.S. Dept. of Health and Human Services (HHS) primarily aimed at mitigating ongoing staffing shortages, which have worsened since the onset of the COVID-19 pandemic. Cash is forecasted to decrease to \$35.6M at the end of FY22 as higher spend on purchased and professional services is expected to be only partially offset by an anticipated increase in patient collections (net), which are historically highest in the last quarter of each fiscal year. There are no liquidity issues forecasted.

Schedule 8: Puerto Rico Industrial Development Company ("PRIDCO") - Actual Results, Month of May 2022

**Primary Business Activity:** PRIDCO is engaged in the development and promotion of industry within Puerto Rico. It accomplishes its mission through a variety of incentives to attract businesses to expand operations within Puerto Rico, but primarily through the offering of commercial lease spaces and industrial facilities on favorable terms to qualifying enterprises.

**Key Takeaways:** Year-to-date, cash increased by \$0.4M from \$49.7M to \$50.1M exclusive of incentive funds, which are restricted sources/uses of cash. Rental receipts have been slightly favorable to forecast due to timing; however, disbursements have been significantly favorable due to delay in payments to DDEC, PayGo, and CapEx. Year-to-date incentive funds have been reported under PRIDCO instead of DDEC; however, on a go-forward basis incentive funds relating to RUMS and FEDE will be reported under DDEC. This change is reflected in an approximate \$38.4M transfer of incentive funds during the month of Feb-22.

*Schedule 8: Puerto Rico Industrial Development Company ("PRIDCO") - Actual Results, Month of May 2022*

**Primary Business Activity:** PRIDCO is engaged in the development and promotion of industry within Puerto Rico. It accomplishes its mission through a variety of incentives to attract businesses to expand operations within Puerto Rico, but primarily through the offering of commercial lease spaces and industrial facilities on favorable terms to qualifying enterprises.

**Key Takeaways:** Year-to-date, cash increased by \$0.4M from \$49.7M to \$50.1M exclusive of incentive funds, which are restricted sources/uses of cash. Rental receipts have been slightly favorable to forecast due to timing; however, disbursements have been significantly favorable due to delay in payments to DDEC, PayGo, and CapEx. Year-to-date incentive funds have been reported under PRIDCO instead of DDEC; however, on a go-forward basis incentive funds relating to RUMS and FEDE will be reported under DDEC. This change is reflected in an approximate \$38.4M transfer of incentive funds during the month of Feb-22.

Schedule 9: Puerto Rico Housing Finance Authority ("HFA") - Actual Results, Month of May 2022

**Primary Business Activity:** HFA promotes the development of low-income housing and provides financing, subsidies, and incentives to help those who qualify to acquire or lease a home.

**Key Takeaways:** Year-to-date, cash increased by \$81.1M from \$117.5M to \$198.6M. Variances to the Liquidity Plan in the amount of \$115.5M are mainly driven by debt service variances of \$29.7M, net balance sheet activity of \$19.0M, as well as net temporary variances from federal funds of \$10.0M. Operating disbursements resulted in a permanent variance of \$7.0M, and operating and intergovernmental receipts present a permanent variance of (\$11.3M). Other federal funds made available to HFA via ARPA awards were received during Dec-21 in the amount of \$72.6M, of which (\$14.6M) have been disbursed, presenting a net variance of \$61.0M. These pass-through federal funds were not expected nor considered in the Liquidity Plan, nor are they anticipated to be fully utilized during FY22 and present a temporary favorable variance that will continue throughout the fiscal year. Cash is forecasted to decline by (\$21.2M) to \$177.4M at the end of FY22.

Schedule 10: Tourism Company of Puerto Rico ("Tourism") - Actual Results, Month of May 2022

**Primary Business Activity:** Tourism's purpose is to promote the tourism industry of Puerto Rico.

**Key Takeaways:** Year-to-date, cash increased by \$73.2M from \$25.6M to \$98.8M. The cash increase is driven by \$50.0M of outperformance of room taxes receipts and slot machine receipts relative to the Certified Fiscal Plan due to higher volumes of tourist travel to Puerto Rico driven by various factors, which include improved vaccination rates and easement of restrictions on travel and gathering, lack of passport and re-entry requirements for U.S. travelers, increased passenger arrivals due to new air and cruise line routes, and targeted marketing efforts. According to Puerto Rico's Destination Marketing Organization *Discover Puerto Rico*, Puerto Rico tourism hit a new record in 2021 as an estimated 4.3M travelers visited the island driving record room taxes in 2021. Year-to-date, Tourism has funded \$30.3M to CCDA. There are no liquidity issues forecast and cash is currently projected to increase to \$98.9M.

*Schedule 11: Fiscal Agency and Financial Advisory Authority ("AAFAF") - Actual Results, Month of May 2022*

**Primary Business Activity:** AAFAF acts as fiscal agent, financial advisor, and reporting agent for the Government of Puerto Rico and certain related entities. It was established pursuant to the Puerto Rico Emergency Moratorium and Financial Rehabilitation Act.

**Key Takeaways:** Year-to-date, cash has increased by \$12.7M from \$110.5M to \$123.2M. The cash increase is largely driven by \$13.0M in General Fund appropriations not forecast, including \$9.4M in Title III appropriations and \$3.6M in non-Title III appropriations. The cash increase is further exacerbated by favorable receipts from fiscal agency fees and MOUs of \$4.5M vs. forecast, and favorable professional services spend of \$21.3M in part due to timing delays as Title III professional services expenses are subject to a lengthy review process by the court fee examiner, partially offset by (\$6.8M) in transfers of surplus monies to Treasury and (\$7.4M) net of non-operating receipts/disbursements driven by distribution of ARPA funds. AAFAF's largest expenditures are related to professional service fees, as budgeted. There are no projected risks to liquidity.

**Primary Business Activity:** DDEC serves as the umbrella agency for key economic development entities in Puerto Rico. It leads efforts to drive competitiveness through structural reforms, promoting private sector investment, and job growth in critical sectors.

**Key Takeaways:** Year-to-date, cash has increased by \$38.0M from \$100.3M to \$138.3M, which is primarily driven by a) cash related to the Puerto Rico Trade and Export Company and RUMS of Puerto Rico being reported under DDEC, b) \$20.0M of COVID-19 relief funding, and c) Jan-22 federal fund inflows of \$26.6M for incentive programs. Additionally, DDEC made (\$10.6M) in loan payments on behalf of the Puerto Rico Trade and Export Company, which was not considered in the Liquidity Plan. The administration of incentive/grant programs is now under the responsibility of DDEC in FY22 instead of PRIDCO, and on a go-forward basis incentive funds relating to RUMS will be reported under DDEC.

**Primary Business Activity:** CCDA develops, manages, and oversees the Puerto Rico Convention Center, the Coliseo de Puerto Rico José Miguel Agrelot, Bahía Urbana, and other adjacent hospitality, commercial, and residential developments.

**Key Takeaways:** Year-to-date, cash increased by \$26.3M from \$13.8M to \$40.1M due to \$23.6M in federal fund receipts from ARPA and the U.S. Small Business Administration (SBA) not forecast, which were made eligible to CCDA due to ~(\$35.0M) in loss revenues sustained during the COVID-19 pandemic. Only \$10.0M in federal funds sourced from the SBA are eligible for operations. Furthermore, cash increased due to \$3.1M in receipts from sale(s) of land in Dec-21 not forecast. Year-to-date, event-related receipts are favorable to the Liquidity Plan by \$2.9M driven by \$3.2M in favorable receipts at the Coliseum despite temporary capacity reductions in late Dec-21 and Jan-22 due to COVID-19/Omicron. CCDA anticipates receiving \$4.9M in budgeted FY22 revenues via transfer(s) of room taxes revenues from the Tourism Company (Law 272) in Jun-22. Cash is forecasted to decline by (\$6.9M) to \$33.2M driven by a catch-up in disbursements related to FY22 utilities expenses; however, nearly half of CCDA's reported cash balances consist of non-operating funds for CapEx, promoter ticket sales reserves, and federal funds - ARPA. There are no liquidity issues forecasted.

*Schedule 14: Puerto Rico Administration for the Development of Agricultural Enterprises ("ADEA") - Actual Results, Month of May 2022*

**Primary Business Activity:** ADEA provides services to the agricultural sector, with the goal of supporting its economic development. Services include: rural infrastructure development, providing incentives and subsidies to the industry, agricultural product market making, and other related services.

**Key Takeaways:** Year-to-date, cash decreased by (\$40.5M) from \$107.5M to \$66.9M. The decrease in cash is driven by nonreceipt of General Fund allocations, which are not considered in the FY22 Certified Budget for ADEA. ADEA did receive; however, \$1.0M in General Fund appropriations for PREPA employees not considered in the forecast. In FY21, ADEA received \$51.0M in General Fund appropriations (net) of holdbacks for PayGo and for Law 40. This is partially offset by favorable operating receipts from coffee market making operations and the school cafeteria program. Year-to-date, ADEA has made (\$31.6M) in subsidies and incentives payments, which is \$32.8M lower than the Liquidity Plan. ADEA projects to end FY22 with \$56.8M in liquidity.

*Schedule 15: Puerto Rico Automobile Accident Compensation Administration ("ACAA") - Actual Results, Month of May 2022*

**Primary Business Activity:** ACAA administers insurance for health services and compensation to benefit victims of car accidents and their dependents. ACAA pays for medical-hospital services offered by third party providers and compensates victims and dependents of deceased victims who were involved in an accident.

**Key Takeaways:** Year-to-date, cash decreased by (\$20.9M) from \$49.6M to \$28.7M due to ACAA making a transfer of (\$35.0M) to investment account(s) in Jul-21 to fund claims reserves, partially offset by lower claims-related disbursements and favorable timing delays concerning purchased services and equipment expenses. In FY22, ACAA received ~117 employee transfers from PREPA estimated to cost (\$6.2M) annually. Reapportionments for funds to supplement these employees are pending with OGP/FOMB. While there are currently no forecasted risks to liquidity in FY22, cash is forecasted to decline to \$17.7M by fiscal year end which is expected to be mostly driven by a catch-up in claims-related disbursements.
