### Introduction

- Enclosed is the weekly Treasury Single Account ("TSA") cash flow report and supporting schedules with weekly YTD FY2022 actual results compared to the FY2022 Liquidity Plan and FY2021 actual results.
- TSA is the Commonwealth's main operational bank account (concentration account) in which a majority of receipts from Governmental funds are deposited and from which most expenses are disbursed.
- Receipts in the TSA include tax collections (including revenues assigned to certain public corporations and pledged for the payment of their debt service), charges for services, intergovernmental collections (such as reimbursements from Federal assistance grants), the proceeds of short and long-term debt issuances held in custody by the Secretary of Treasury for the benefit of the Government fiduciary funds, and other receipts. Only a portion of the revenues received by the TSA is included in the annual General Fund budget presented to the Puerto Rico Legislative Assembly for approval. Other revenues are separately assigned by law to certain agencies or public corporations but still flow through the TSA.
- Disbursements from the TSA include payroll and related costs, vendor and operational disbursements (including those reimbursed by Federal assistance grants and funded from Special Revenue Funds), welfare expenditures, capital outlays, debt service payments, required budgetary formulas and appropriation payments, pass-through payments of pledged revenues to certain public corporations, tax refunds, payments of current pension benefits and other disbursements.
- Federal funds related to disaster relief for hurricanes Irma and Maria are deposited in a separate bank account overseen by the Government Authorized Representative ("GAR"). Funds may be transferred to the TSA either: (i) after admissible disbursements (per approved Project Worksheets) have been made or (ii) once supporting documentation for an accrual or related expense are provided to and approved by FEMA. Therefore, FEMA funding may also be received in advance of actual cash disbursement, as payments to vendors may occur subsequent to when the corresponding services are rendered / expenses are recorded.
- Data limitations and commentary:
  - The government has focused on cash transaction information for which access to reliable, timely, and detailed data is readily available. The government continues to work with DTPR and other parties to access additional reliable data that would help to provide additional detail in the future.

### Footnotes:

- (a) Represents FY2021 actual results through February 19, 2021.
- (b) Represents gross tax collections received and deposited from all Hacienda Collection Posts, through the Hacienda Colecturia Virtual (online) and/or SURI. Additionally, as of the date of this report, the "General Fund Collections" line item includes unreconciled collections due to DTPR transition to collecting various gross tax receipts through the new SURI system. The transition from the Hacienda Colecturia collections system to SURI is ongoing and as such, revenue concept detail for the general tax SURI collections is not available at this time for the portion of collections received by the new general tax SURI account. This resulted in timing-related unreconciled gross collections which will be retroactively allocated to "General Collections" as appropriate once this information becomes available.
- (c) These revenues are collected by DTPR and immediately appropriated.
- (d) Inflows related to the State Insurance Fund, the Department of Labor and Human Resources, the Commissioner of Financial Institutions, interest earned on TSA bank accounts and others. As of the date this report the TSA has received \$6.2M in interest income in FY21 from earnings on the TSA cash balance.

- (f) Transfer of Government cash balances previously held outside of the TSA into a segregated TSA Plan account. These funds are being accumulated pursuant to the Plan for disbursement on, or after, the Plan effective date.
- (g) Represents total gross payroll. Gross payroll includes net payroll disbursed to government employees, cash transfers to the Police Department for payroll costs, and other payroll related costs (employee withholdings, social security, insurance, and other
- (h) Includes payments to third-party vendors as well as intergovernmental payments to agencies with separate Treasuries.
- (i) Includes Federally Funded Employee Retention Credits.
- (j) These line items include transfers out of the TSA related to the COVID-19 Emergency Measures Support Package. Total TSA outflows related to the COVID-19 Emergency Measures Support Package are approximately \$534M as of February 18, 2022. Of this amount, \$459M was disbursed in FY2020, \$75M in FY2021, and \$562k in FY2022.

General Fund Collections Summary

#### **Key Takeaways / Notes**

1.) Accumulated collections into TSA sweep accounts are generally transferred to the TSA with a 7-10 day lag. Transfers from the SURI sweep account have been temporarily delayed since the beginning of January 2022 due to ongoing process improvement implementation at Hacienda, causing the balance to grow to \$1,413M in collections in the SURI sweep account pending transfer to the TSA. The revenue schedule to the right includes \$666M of collections in the SURI sweep account pending final reconciliation and transfer to the TSA. This collections schedule will be updated as information becomes available.

Other State Fund Collections Summary

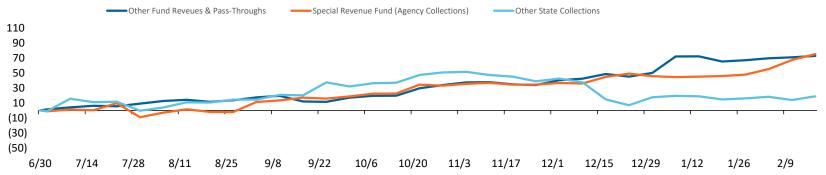

### **Key Takeaways / Notes**

### 1.) Other state fund collections are ahead of the Liquidity Plan. "All Other" state collections positive variance is in part driven by \$25M reimbursed to the TSA by the Department of Labor and Human Resources for payroll and operating costs from prior fiscal years. This represents a permanent positive variance relative to the Liquidity Plan. Remaining variance is mostly assumed to be temporary due to timing, as special revenues and other collections may be received with irregular cadence.

Federal Funds Net Cash Flow Summary (a)(b)

#### **Key Takeaways / Notes**

1.) Receipts for the Nutritional Assistance Program (NAP) and Medicaid (ASES Pass-through) are received in advance of the subsequent pass through disbursements. Federal Funds received for Payroll and Vendor Payments are typically reimbursed following disbursement. Currently, there may be temporary surplus / (deficit) due timing differences relating to prior year carryover. Puerto Rico received \$2.24 billion from the Coronavirus Relief Fund (CRF) established under the CARES Act and \$2.5 billion of federal Coronavirus State & Local Fiscal Recovery funds (CSFRF). These funds are held in a separate account outside of TSA. Some of the measures funded by the accounts are initially paid out through TSA, and later reimbursed from the respective external account. On December 15, 2021, the TSA returned \$70M related to federal Economic Incentive Payments to an external bank account.

Payroll / Vendor Disbursements Summary

#### Key Takeaways / Notes : Gross Payroll

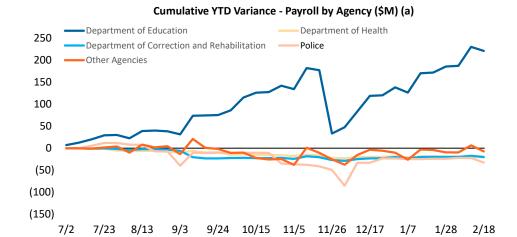

1.) Positive DOE variance decreased in November due to \$103M of COVID-related "Premium Pay" incentives. Negative variance for the Department of Correction & Rehabilitation is driven by \$20M of Premium Pay. These COVID-related payments represent permanent variance relative to the FY22 LP payroll projection; however, they are cash flow neutral as the TSA will be reimbursed for these distributions from CSLFRF funds held outside the TSA. Negative police payroll is due to \$3M of Premium Pay and \$20M of additional hazard pay in October.

Gross Payroll (\$M) (a)	YTD
Agency	Variance
Department of Education	\$ 221
Police	(33)
Department of Correction & Rehabilitation	(20)
Department of Health	(21)
All Other Agencies	(7)
Total YTD Variance	\$ 140

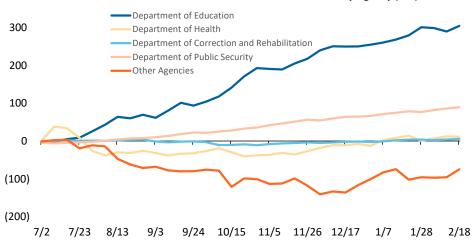

#### Key Takeaways / Notes : Vendor Disbursements

1.) Positive overall variance is due to lower than projected spending by the Department of Education, primarily of federal funds. Disbursements of CRF and CSLFRF funds by the Department of Treasury via the TSA drive \$69M of "Other Agencies" variance. These expenses will be reimbursed from funds held outside the TSA.

Vendor Disbursements (\$M) Agency	YTD Variance
Department of Education	\$ 304
Department of Public Security	89
Department of Health	11
Department of Correction & Rehabilitation	5
All Other Agencies	(75)
Total YTD Variance	\$ 335

#### Cumulative YTD Variance - Vendor Disbursements by Agency (\$M)

#### Footnotes

- (a) Gross Payroll is equal to the sum of: (i) Net Payroll by Agency from the DTPR RHUM system; (ii) Other Payroll and (iii) Cash outlays for wage garnishments by Agency.
- (b) Central government Christmas Bonus was funded on 12/3/2021 and it is included in payroll for the week ended 12/3. Funds for the Police bonus were transferred on 11/23.

State Funded Budgetary Transfers Summary

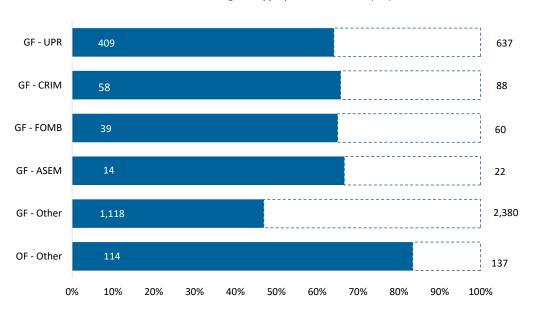

#### **Key Takeaways / Notes**

1.) General Fund appropriations are generally executed throughout the year on a consistent basis in the first week of a given month. The amount transferred each month is usually the sum of the receiving entity's budgeted amount for FY22 divided into twelve, subject to a 2.5% holdback through the first nine months of the fiscal year, to be disbursed during the fourth quarter following reconciliation of General Fund revenues to Fiscal Plan projections and subsequent approval and authorization for release by the Oversight Board and the Director of OMB. Other General Fund transfers and Other Fund transfers require the recognition of certain revenues within DTPR accounting records prior to sending funds to a receiving entity. In December, the ASES GF budget was reduced by \$786M after additional Federal Funds became available for healthcare costs. Note the \$786M have been reapportioned to an unallocated GF capex budgetary account under the custody of OMB. The reduced ASES budget drives \$345M of Other GF variance. The Liquidity Plan projected \$59M of HTA Capex funds carried over from FY21 would be transferred during September 2021. Only \$27M of these funds have been transferred at this time, driving the positive Other GF variance.

Tax Refunds / PayGo and Pensions Summary

#### Key Takeaways / Notes : Tax Refunds

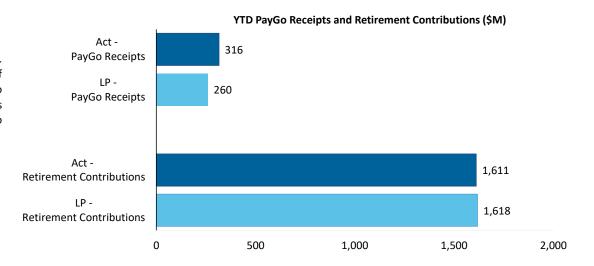

1.) Tax refunds includes EITC distributions, refunds to individuals and seniors as well other tax credits.

# Key Takeaways / Notes : PayGo Receipts and Retirement Contributions

1.) YTD PayGo Receipts are slightly higher than forecast. Payments for prior year invoices account for a majority of this outperformance. The remaining variance is expected to be temporary and may reverse by year-end. Further details on the status of PayGo can be found in the monthly PayGo Report on AAFAF's website.

Plan of Adjustment TSA Transfers Summary

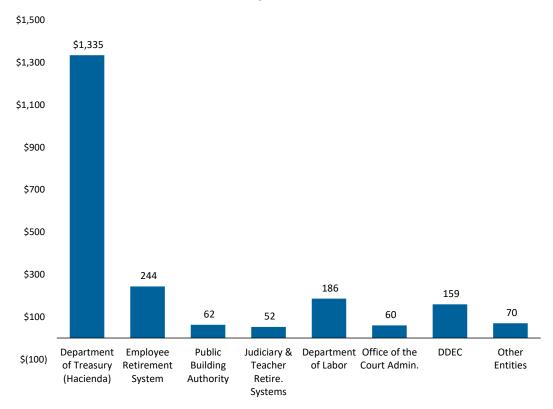

### **Key Takeaways / Notes**

1.) In order to make distributions pursuant to the Commonwealth Plan of Adjustment and to achieve certain conditions precedent for Plan effectiveness, the Commonwealth is aggregating cash from certain agencies outside of the TSA consistent with the Oversight Board cash restriction analysis. Below reflects the funds that have been transferred into the TSA to date for this purpose.
