TSA	- Treasury Single Account, the Commonwealth's main operational bank account (concentration account) in which a majority of receipts from Governmental funds are deposited and from which most expenses are disbursed. TSA receipts include tax collections, charges for services, intergovernmental collections, the proceeds of short and long-term debt issuances and amounts held in custody by the Secretary of the Treasury for the benefit of the Commonwealth's fiduciary funds. Only a portion of the revenues received by the TSA is included in the annual General Fund budget presented to the Puerto Rico Legislative Assembly for approval. Other revenues are separately assigned by law to certain agencies or public corporations but still flow through the TSA.

### Introduction

- Enclosed is the weekly Treasury Single Account ("TSA") cash flow report and supporting schedules with weekly YTD FY2022 actual results compared to the FY2022 Liquidity Plan Reforecast ("RF") and FY2021 actual results.
- TSA is the Commonwealth's main operational bank account (concentration account) in which a majority of receipts from Governmental funds are deposited and from which most expenses are disbursed.
- Receipts in the TSA include tax collections (including revenues assigned to certain public corporations and pledged for the payment of their debt service), charges for services, intergovernmental collections (such as reimbursements from Federal assistance grants), the proceeds of short and long-term debt issuances held in custody by the Secretary of Treasury for the benefit of the Government fiduciary funds, and other receipts. Only a portion of the revenues received by the TSA is included in the annual General Fund budget presented to the Puerto Rico Legislative Assembly for approval. Other revenues are separately assigned by law to certain agencies or public corporations but still flow through the TSA.
- Disbursements from the TSA include payroll and related costs, vendor and operational disbursements (including those reimbursed by Federal assistance grants and funded from Special Revenue Funds), welfare expenditures, capital outlays, debt service payments, required budgetary formulas and appropriation payments, pass-through payments of pledged revenues to certain public corporations, tax refunds, payments of current pension benefits and other disbursements.
- Federal funds related to disaster relief for hurricanes Irma and Maria are deposited in a separate bank account overseen by the Government Authorized Representative ("GAR"). Funds may be transferred to the TSA either: (i) after admissible disbursements (per approved Project Worksheets) have been made or (ii) once supporting documentation for an accrual or related expense are provided to and approved by FEMA. Therefore, FEMA funding may also be received in advance of actual cash disbursement, as payments to vendors may occur subsequent to when the corresponding services are rendered / expenses are recorded.
- Data limitations and commentary:
  - The government has focused on cash transaction information for which access to reliable, timely, and detailed data is readily available. The government continues to work with DTPR and other parties to access additional reliable data that would help to provide additional detail in the future.

### Puerto Rico Department of Treasury | AAFAF

YTD Cash Flow Summary - TSA Cash Flow Actual Results

#### **Net Cash Flow - YTD Actuals**

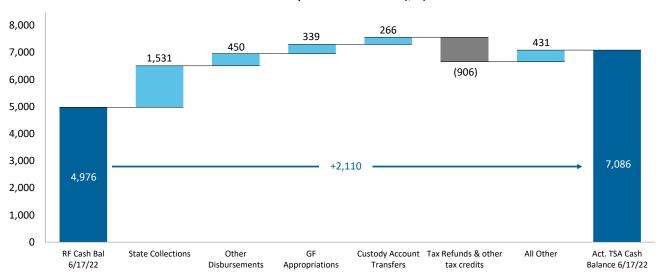

1.) The primary cash driver of FY22 is strong state collections. This is partially offset by \$10.6B of Plan-related disbursements. Federal Fund inflows of \$10,265M represent 37% of YTD inflows, but are largely offset by Federal Fund disbursements, with YTD net surplus of \$278M (Refer to page 13 for additional detail).

#### Net Cash Flow YTD Variance - LP vs. Actual

Continuing strong collections drive YTD cash flow variance.
 This is offset by greater than projected tax refunds and credits as a result of federal programs. Treasury has requested federal reimbursement for these programs, which will offset this negative variance in the near to medium-term.

FY22 TSA Cash Flow Actual Results - Footnotes

#### Footnotes:

- (a) Represents FY2021 actual results through June 18, 2021.
- (b) Represents gross tax collections received and deposited from all Hacienda Collection Posts, through the Hacienda Colecturia Virtual (online) and/or SURI. Additionally, as of the date of this report, the "General Fund Collections" line item includes unreconciled collections due to DTPR transition to collecting various gross tax receipts through the new SURI system. The transition from the Hacienda Colecturia collections system to SURI is ongoing and as such, revenue concept detail for the general tax SURI collections is not available at this time for the portion of collections received by the new general tax SURI account. This resulted in timing-related unreconciled gross collections which will be retroactively allocated to "General Collections" as appropriate once this information becomes available.
- (c) These revenues are collected by DTPR and immediately appropriated.
- (d) Inflows related to the State Insurance Fund, the Department of Labor and Human Resources, the Commissioner of Financial Institutions, interest earned on TSA bank accounts and others. As of the date this report the TSA has received \$7.3M in interest income in FY22 from earnings on the TSA cash balance.
- (e) As of June 17, 2022, there are \$641M in collections in the SURI sweep account pending reconciliation and transfer to the TSA.
- (f) Transfer of Government cash balances previously held outside of the TSA into a segregated TSA Plan account. These funds are being accumulated pursuant to the Plan for disbursement on, or after, the Plan effective date.
- (g) Represents total gross payroll. Gross payroll includes net payroll disbursed to government employees, cash transfers to the Police Department for payroll costs, and other payroll related costs (employee withholdings, social security, insurance, and other
- (h) Includes payments to third-party vendors as well as intergovernmental payments to agencies with separate Treasuries. \$11M of Department of Health disbursements on 6/17 are pending confirmation of fund classification.
- (i) Includes Federally Funded Employee Retention Credits.
- (j) These line items include transfers out of the TSA related to the COVID-19 Emergency Measures Support Package. Total TSA outflows related to the COVID-19 Emergency Measures Support Package are approximately \$534M as of June 17, 2022. Of this amount, \$459M was disbursed in FY2020, \$75M in FY2021, and \$562k in FY2022.
- (k) Funds held in segregated accounts and unavailable for ordinary-course Commonwealth operations. These funds include the "rainy day" reserve, funds for Plan-related payments, and the revolving Disaster Relief Fund ("DRF").
  - The positive amount reflects the reimbursement to the TSA of Title III expenses that Hacienda paid on behalf of other entities. These amounts will result in zero net cash flow to the TSA as each time the TSA disburses funds to cover Title III expenses on behalf of an IFCU the amount is reimbursed to the TSA.

**General Fund Collections Summary** 

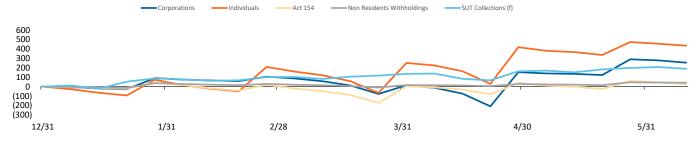

### Key Takeaways / Notes

1.) Accumulated collections into TSA sweep accounts are generally transferred to the TSA with a 7-10 day lag. The process experienced delays throughout April, though regular transfers have resumed. As of the date of this report, there were \$641M in collections in the SURI sweep account pending transfer to the TSA. Typically, the Other General Fund revenue line in the table to the right includes cash receipts that have not yet been allocated to specific concepts. As of the date of this report, the total of unallocated collections included therein was approximately \$489M. The schedule on this page will be updated as information becomes available.

Sales and Use Tax Collections Summary

#### **Key Takeaways / Notes**

1.) The proceeds from the Puerto Rico 10.5% SUT rate are allocated as follows: Of the 10.5%, 5.5% is deposited into a COFINA BNY Mellon account until the PSTBA cap is reached, and 4.5% is deposited into the General Fund. The remaining 0.5% is remitted to FAM. The PSTBA cap for FY22 is \$473 million.

#### Footnotes

- (a) This schedule reflects gross cash activity and is subject to revision based on periodic reconciliations and accounting adjustments.
- (b) As of June 17, 2022 there is \$74M in SUT collected pending verification and allocation. The verification process includes matching receipts with the appropriate returns and reconciling government account information. Once this process is complete, SUT funds are distributed in accordance with the COFINA Plan of Adjustment based on the ownership of funds and otherwise based on the limits on distributions established therein.

Federal Funds Net Cash Flow Summary (a)(b)

#### **Key Takeaways / Notes**

1.) Receipts for the Nutritional Assistance Program (NAP) and Medicaid (ASES Pass-through) are received in advance of the subsequent pass through disbursements. Federal Funds received for Payroll and Vendor Payments are typically reimbursed following disbursement. Currently, there may be temporary surplus / (deficit) due timing differences relating to prior year carryover. Puerto Rico received \$2.24 billion from the Coronavirus Relief Fund (CRF) established under the CARES Act and \$2.5 billion of federal Coronavirus State & Local Fiscal Recovery funds (CSFRF). These funds are held in a separate account outside of TSA. Some of the measures funded by the accounts are initially paid out through TSA, and later reimbursed from the respective external account. On December 15, 2021, the TSA returned \$70M related to federal Economic Incentive Payments to an external bank account. Then on May 3, 2022, the TSA received an additional \$40M in federal transfers for Economic Incentive Payments (EIP). Analysis is ongoing to determine the total amount of federal dollars the TSA will receive in FY22 for disbursements related to EIP and to which period those disbursements correspond.

Payroll / Vendor Disbursements Summary

#### Key Takeaways / Notes: Gross Payroll

1.) Positive YTD payroll variance is primarily driven by lower than projected federal fund disbursments for Department of Education payroll. The decrease in DOE payroll variance during May is due to \$101M of Premium Pay COVID-19 incentives. Negative Police variance is primarily timing related, as the Department requested and was transferred funds for June payroll at the end of May.

Department of Education	\$ 170
Police	(45)
Department of Correction & Rehabilitation	4
Department of Health	(8)
All Other Agencies (c)	220
Total YTD Variance	\$ 341

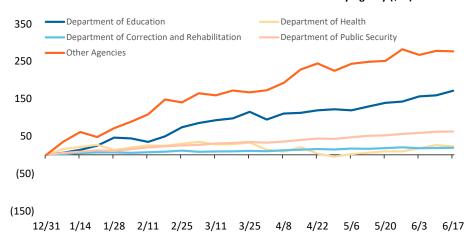

#### Key Takeaways / Notes: Vendor Disbursements

1.) Positive overall variance is due to lower than projected spending by the Department of Education, primarily of federal funds.

Vendor Disbursements (\$M) Agency	YTD Variance
Department of Education	\$ 171
Department of Public Security	62
Department of Health	22

### Cumulative YTD Variance - Vendor Disbursements by Agency (\$M)

#### **Footnotes**

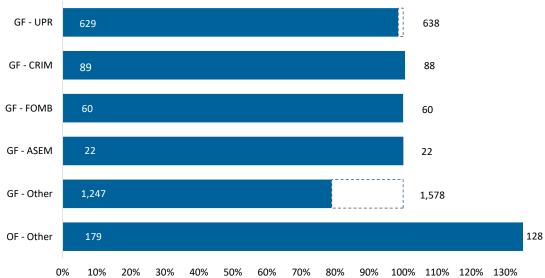

- (a) Gross Payroll is equal to the sum of: (i) Net Payroll by Agency from the DTPR RHUM system; (ii) Other Payroll and (iii) Cash outlays for wage garnishments by Agency.
- (b) Central government Christmas Bonus was funded on 12/3/2021 and it is included in payroll for the week ended 12/3. Funds for the Police bonus were transferred on 11/23.
- (c) Includes the positive variance from budgeted amounts not disbursed in H1. These amounts were not reallocated to specific agencies in the TSA Reforecast for H2.

State Funded Budgetary Transfers Summary

#### **Key Takeaways / Notes**

1.) General Fund appropriations are generally executed throughout the year on a consistent basis in the first week of a given month. The amount transferred each month is usually the sum of the receiving entity's budgeted amount for FY22 divided into twelve, subject to a 2.5% holdback through the first nine months of the fiscal year, to be disbursed during the fourth quarter following reconciliation of General Fund revenues to Fiscal Plan projections and subsequent approval and authorization for release by the Oversight Board and the Director of OMB. Other General Fund transfers and Other Fund transfers require the recognition of certain revenues within DTPR accounting records prior to sending funds to a receiving entity. In December, the ASES GF budget was reduced by \$786M after additional Federal Funds became available for healthcare costs. Note the \$786M have been reapportioned to an unallocated GF capex budgetary account under the custody of OMB. On March 15, 2022, newly enacted federal legislation increased the amount of federal funding available to the Commonwealth for Medicaid, and the FY22 GF ASES budget was further reduced, driving \$127M of permanent positive variance within the "Other" GF category.

Tax Refunds / PayGo and Pensions Summary

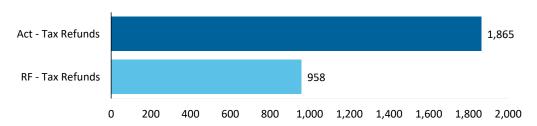

#### Key Takeaways / Notes : Tax Refunds & Credits

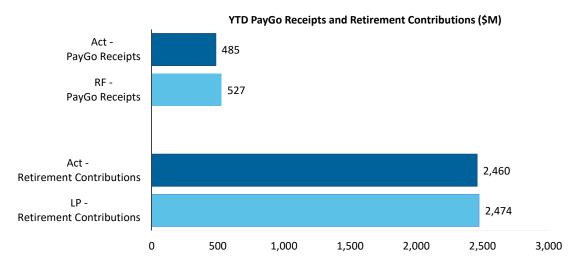

1.) Tax refunds include EITC distributions, refunds to individuals and seniors as well as other tax credits. Tax Refunds are \$906M ahead of projection YTD. Negative YTD variance is driven by several federally-funded credits and incentives not contemplated in the initial FY2022 Certified Budget, including EITC expanded as part of several federal COVID-19 relief programs, Economic Incentive Payment distributions, and other programs. Treasury has requested federal reimbursement totaling just over \$1 billion for these programs, over half of which will be received by the end of this fiscal year.

1.) YTD PayGo Receipts are mainly in line with forecast. Further details on the status of PayGo can be found in the monthly PayGo Report on AAFAF's website.

Plan of Adjustment TSA Transfers Summary

#### **Key Takeaways / Notes: Intragovernmental Transfers**

1.) In order to make distributions pursuant to the Commonwealth Plan of Adjustment and to achieve certain conditions precedent for Plan effectiveness, the Commonwealth is aggregating cash from certain agencies outside of the TSA consistent with the Oversight Board cash restriction analysis. Below reflects the funds that have been transferred into the TSA to date for this purpose.

#### Footnotes:

- (a) Data presented above represents the Central Government live AP Web Portal repository of third party and intergovernmental invoices by agency, implemented in FY2019. The full transition to managing central government payables through the web portal is complete, however government agencies and vendors continue to analyze the information contained in this report to ensure its accuracy. Ongoing efforts with the largest agencies and their vendors to implement the appropriate processes and controls needed to realize improvements in reporting and efficiency continue as of the date of this report.
- (b) On a go-forward basis, vendors submit invoices for approval through the live AP Web Portal where they are logged electronically, matched with the appropriate purchase order or other relevant documentation, and approved / vouchered at the agency level through the online interface.
