October 20, 2020

To: Managed Care Organizations (MCOs) contracted to offer services under the Government Health Plan Program (Plan Vital); Dentists; Primary Medical Groups (PMG) and Participants Providers

Re: CY 2020 - 2021 & COVID Dental Fee Schedule

On June 16, 2020 the Puerto Rico Health Insurance Administration (ASES, for its Spanish acronym) issued the **Normative Letter 20-05-01A** regarding the Dental COVID Fee. Through this letter, ASES extends the effectiveness of the inclusion of the **D1999** code until a vaccine or clinically effective treatment for COVID-19 is developed and / or ASES notifies it, whichever occurs first. Therefore, ASES notifies the applicable fee for the D1999 **from July 01, 2020 will be \$14.51**, the purpose of this fee is to compensate for the additional cost to purchase Personal Protective Equipment (PPE) and other supplies needed to treat patients during the COVID-19 pandemic in attention to the comparative reevaluation of the cost of PPE for dentists.

Enclosed attachment which states the new **CY 2020 - 2021 Dental Fee Schedule** for implementation **effective July 01, 2020**.

All MCOs must distribute this Circular Letter to all participating Vital Plan providers. In addition, they are required to modify the payment systems for the processing and payment of the invoices issued by the reference codes.

Cordially,

Jorge E. Galva, JD, MHA
Executive Director
