Carrier to ASES Data Submissions

File Layouts

Version 4.1C

PUERTO RICO HEALTH INSURANCE ADMINISTRATION **Carrier to ASES Data Submissions** File Layouts

Version Changes

Version 3.0A

ASES file layouts ver. 3.0A for submission by Carriers for data generated from July 2018 forward

CAPITATION Input File Layout

CAPITATION TYPE field was modified

PROVIDER Input File Layout

New fields added to the layout. The descriptions for the provider address fields was changed to specify that it refers to the provider's physical address

CLAIMSERVICES Input File Layout - Added

New fields added to the layout.

Data Validation and Auditing Change

New section regarding data validation and auditing added.

Version 3.0A rev3

Provider, Network, and IPA Files Layout

Frequency of Provider, Network, and IPA files changed from monthly to weekly.

Content of Provider, Network, and IPA files changed from only those entities that are present in claims to all active records.

CLAIMSERVICES Input File Layout

PLAN TYPE field and PLAN VERSION LIST were modified

Version 3.0A rev4

present in claims. Content of Provider and Network files changed from all active records to all active records, and "Out of Network" providers

Birthing Center	Ambulatory Surgical Center	Emergency Room - Hospital	On Campus- Outpatient Hospital	Inpatient Hospital	Urgent Care Facility	Off Campus-Outpatient Hospital	Place of Employment- Worksite	Walk-in Retail Health Clinic	Name
A facility, other than a hospital's maternity facilities or a physician's office, which provides a setting for labor, delivery, and immediate post-partum care as well as immediate care of newborn infants.	A freestanding facility, other than a physician's office, where surgical and diagnostic services are provided on an ambulatory basis.	A portion of a hospital where emergency diagnosis and treatment of illness or injury is provided.	A portion of a hospital, which provides diagnostic, therapeutic (both surgical and nonsurgical), and rehabilitation services to sick or injured persons who do not require hospitalization or institutionalization.	A facility, other than psychiatric, which primarily provides diagnostic, therapeutic (both surgical and nonsurgical), and rehabilitation services by, or under, the supervision of physicians to patients admitted for a variety of medical conditions.	Location, distinct from a hospital emergency room, an office, or a clinic, whose purpose is to diagnose and treat illness or injury for unscheduled ambulatory patients seeking immediate medical attention.	A portion of an off-campus hospital provider based department which provides diagnostic, therapeutic (both surgical and nonsurgical), and rehabilitation services to sick or injured persons who do not require hospitalization or institutionalization.	A location, not described by any other POS code, owned or operated by a public or private entity where the patient is employed, and where a health professional provides on-going or episodic occupational medical, therapeutic or rehabilitative services to the individual.	A walk-in health clinic, other than an office, urgent care facility, pharmacy or independent clinic and not described by any other Place of Service code, that is located within a retail operation and provides, on an ambulatory basis, preventive and primary care services. 	Residential Substance Abuse Treatment Facility	Intermediate Care Facility/ Individuals with Intellectual Disabilities	Community Mental Health Center	Psychiatric Facility Partial Hospitalization	Inpatient Psychiatric Facility	Federally Qualified Health Center	Name
MINISTRACIO	A facility, which provides treatment for substance (alcohol and drug) abuse to live-in residents who, does not require acute medical care. Services include individual and group therapy and counseling, family counseling, laboratory tests, drugs and supplies, psychological testing, and room and board.	A facility which primarily provides health-related care and services above the level of custodial care to individuals but does not provide the level of care or treatment available in a hospital or SNF.	 A facility that provides the following services: Outpatient services, including specialized outpatient services for children, the elderly, individuals who are chronically ill, and residents of the CMHC's mental health services area who have been discharged from inpatient treatment at a mental health facility. 24 hour a day emergency cares services. Day treatment, other partial hospitalization services, or psychosocial rehabilitation services. Screening for patients being considered for admission to State mental health facilities to determine the appropriateness of such admission. Consultation and education services. 	A facility for the diagnosis and treatment of mental illness that provides a planned therapeutic program for patients who do not require full time hospitalization, but who need broader programs than are possible from outpatient visits to a hospital-based or hospital-affiliated facility.	A facility that provides inpatient psychiatric services for the diagnosis and treatment of mental illness on a 24-hour basis, by or under the supervision of a physician.	A facility located in a medically underserved area that provides Medicare beneficiaries preventive primary medical care under the general direction of a physician.	Description

N/A	A facility other than a hospital, which provides dialysis treatment, maintenance, and/or training to patients or caregivers on an ambulatory or home-care basis.	N/A	A facility that provides comprehensive rehabilitation services under the supervision of a physician to outpatients with physical disabilities. Services include physical therapy, occupational therapy, and speech pathology services.	A facility that provides comprehensive rehabilitation services under the supervision of a physician to inpatients with physical disabilities. Services include physical therapy, occupational therapy, speech pathology, social or psychological services, and orthotics and prosthetics services.	A location where providers administer pneumococcal pneumonia and influenza virus vaccinations and submit these services as electronic media claims, paper claims, or using the roster billing method. This generally takes place in a mass immunization setting, such as, a public health center, pharmacy, or mall but may include a physician office setting.	N/A	A location that provides treatment for opioid use disorder on an ambulatory basis. Services include methadone and other forms of Medication Assisted Treatment (MAT).	A location which provides treatment for substance (alcohol and drug) abuse on an ambulatory basis. Services include individual and group therapy and counseling, family counseling, laboratory tests, drugs and supplies, and psychological testing.	A facility or distinct part of a facility for psychiatric care, which provides a total 24-hour therapeutically, planned and professionally staffed group living and learning environment.	Description
