

Managed Care Program Annual Report (MCPAR) for Puerto Rico: Medicare Platino

Due date	Last edited	Edited by	Status
06/28/2024	06/27/2024	Eddie Perez	Submitted

Indicator	Response
Exclusion of CHIP from MCPAR Enrollees in separate CHIP programs funded under Title XXI should not be reported in the MCPAR. Please check this box if the state is unable to remove information about Separate CHIP enrollees from its reporting on this program.	Selected

Section A: Program Information

Point of Contact

Number	Indicator	Response
A1	State name Auto-populated from your account profile.	Puerto Rico
A2a	Contact name First and last name of the contact person. States that do not wish to list a specific individual on the report are encouraged to use a department or program-wide email address that will allow anyone with questions to quickly reach someone who can provide answers.	Norberto Negron Diaz, Esq.
A2b	Contact email address Enter email address. Department or program-wide email addresses ok.	mcp@asespr.org
A3a	Submitter name CMS receives this data upon submission of this MCPAR report.	Eddie Perez
A3b	Submitter email address CMS receives this data upon submission of this MCPAR report.	eperez@asespr.org
A4	Date of report submission CMS receives this date upon submission of this MCPAR report.	06/27/2024

Reporting Period

Number	Indicator	Response
A5a	Reporting period start date Auto-populated from report dashboard.	01/01/2023
A5b	Reporting period end date Auto-populated from report dashboard.	12/31/2023
A6	Program name Auto-populated from report dashboard.	Medicare Platino

Add plans (A.7)

Enter the name of each plan that participates in the program for which the state is reporting data.

Indicator	Response
Plan name	Humana
	Triple-S Advantage
	MCS Advantage
	MMM Healthcare

Add BSS entities (A.8)

Enter the names of Beneficiary Support System (BSS) entities that support enrollees in the program for which the state is reporting data. Learn more about BSS entities at 42 CFR 438.71See Glossary in Excel Workbook for the definition of BSS entities.

Examples of BSS entity types include a: State or Local Government Entity, Ombudsman Program, State Health Insurance Program (SHIP), Aging and Disability Resource Network (ADRN), Center for Indepedent Living (CIL), Legal Assistance Organization, Community-based Organization, Subcontractor, Enrollment Broker, Consultant, or Academic/Research Organization.

Indicator	Response
BSS entity name	None

Section B: State-Level Indicators

Topic I. Program Characteristics and Enrollment

Number	Indicator	Response
BI.1	Statewide Medicaid enrollment Enter the average number of individuals enrolled in Medicaid per month during the reporting year (i.e., average member months). Include all FFS and managed care enrollees and count each person only once, regardless of the delivery system(s) in which they are enrolled.	237,245
BI.2	Statewide Medicaid managed care enrollment Enter the average number of individuals enrolled in any type of Medicaid managed care per month during the reporting year (i.e., average member months). Include all managed care programs and count each person only once, even if they are enrolled in multiple managed care programs or plans.	237,245

Topic III. Encounter Data Report

Number	Indicator	Response
BIII.1	Data validation entity Select the state agency/division or contractor tasked with evaluating the validity of encounter data submitted by MCPs. Encounter data validation includes verifying the accuracy, completeness, timeliness, and/or consistency of encounter data records submitted to the state by Medicaid managed care plans. Validation steps may include pre-acceptance edits and post-acceptance analyses. See Glossary in Excel Workbook for more information.	State Medicaid agency staff Other state agency staff State actuaries EQRO Other third-party vendor Proprietary system(s)
BIII.2	HIPAA compliance of proprietary system(s) for encounter data validation Were the system(s) utilized fully HIPAA compliant? Select one.	Yes

Topic X: Program Integrity

Number	Indicator	Response
BX.1	Payment risks between the state and plans Describe service-specific or other focused PI activities that the state conducted during the past year in this managed care program. Examples include analyses focused on use of long-term services and supports (LTSS) or prescription drugs or activities that focused on specific payment issues to identify, address, and prevent fraud, waste or abuse. Consider data analytics, reviews of under/overutilization, and other activities. If no PI activities were performed, enter 'No PI activities were performed during the reporting period' as your response. 'N/A' is not an acceptable response.	The Program Integrity Unit (PIU) is an important division within the Puerto Rico Medicaid Program. Its primary responsibility is to maintain the integrity and accountability of the program. The PIU accomplishes this by identifying instances of fraud, waste, and abuse within the program. This ensures the program's resources are being utilized appropriately to provide high-quality healthcare services to eligible beneficiaries. To achieve its objectives, the PIU works in collaboration with other agencies, including law enforcement. It also conducts audits and reviews of Medicaid providers to ensure they comply with program policies and regulations. The PIU carries out its responsibilities through data analysis and investigative efforts, including interviews with healthcare providers and beneficiaries.
BX.2	Contract standard for overpayments Does the state allow plans to retain overpayments, require the return of overpayments, or has established a hybrid system? Select one.	State requires the return of overpayments
BX.3	Location of contract provision stating overpayment standard Describe where the overpayment standard in the previous indicator is located in plan contracts, as required by 42 CFR 438.608(d)(1)(i).	ASES contract with MCO, Section 19.1.9
BX.4	Description of overpayment contract standard Briefly describe the overpayment standard (for example, details on whether the state allows plans to retain overpayments, requires the plans to return overpayments, or administers a hybrid system) selected in indicator B.X.2.	"The Contractor shall report and return to ASES an Overpayment within sixty (60) calendar days after the date on which the Overpayment was Identified. The Contractor must specify their retention policies for the treatment of recoveries for all Overpayments to a Provider, including specifically for the treatment of overpayments due to Fraud, Waste or Abuse. The Contractor must also have and require the use of a mechanism for a Network Provider to report to Contractor an Overpayment, and to return the Overpayment with a written

explanation of the reason for the overpayment in accordance with this Section."

BX.5	State overpayment reporting monitoring Describe how the state monitors plan performance in reporting overpayments to the state, e.g. does the state track compliance with this requirement and/or timeliness of reporting? The regulations at 438.604(a)(7), 608(a)(2) and 608(a)(3) require plan reporting to the state on various overpayment topics (whether annually or promptly). This indicator is asking the state how it monitors that reporting.	Per contract, the Plan must report overpayments as part of required quarterly reporting. This reporting is reviewed by ASES when received.
BX.6	Changes in beneficiary circumstances Describe how the state ensures timely and accurate reconciliation of enrollment files between the state and plans to ensure appropriate payments for enrollees experiencing a change in status (e.g., incarcerated, deceased, switching plans).	As part of the beneficiary reconciliation and status change process, PRMP uses internal and state resources to complement the process. The demographic registry under the Department of Health is consulted prior to removing beneficiaries due to death. For individual waivers, the beneficiary must report the change of circumstance; for mass waivers it is conducted through a change request. Currently, PRMP has no interface with the Department of Corrections, so there is no way to know when a Medicaid beneficiary becomes confined until the beneficiary applies for renewal. The other scenario is when the confined beneficiary is hospitalized for more than 24 hours. The Department of Corrections notifies PRMP, and the beneficiary's eligibility is suspended. Partial eligibility is given to cover hospital expenses. This partial eligibility is provided for one year, and ASES only pays the hospital expenses incurred by the inmate
BX.7a	Changes in provider circumstances: Monitoring plans Does the state monitor whether plans report provider "for cause" terminations in a timely manner under 42 CFR 438.608(a)(4)? Select one.	Yes
BX.7b	Changes in provider circumstances: Metrics	No

Does the state use a metric or indicator to assess plan reporting performance? Select one.

BX.8a	Federal database checks: Excluded person or entities During the state's federal database checks, did the state find any person or entity excluded? Select one. Consistent with the requirements at 42 CFR 455.436 and 438.602, the State must confirm the identity and determine the exclusion status of the MCO, PIHP, PAHP, PCCM or PCCM entity, any subcontractor, as well as any person with an ownership or control interest, or who is an agent or managing employee of the MCO, PIHP, PAHP, PCCM or PCCM entity through routine checks of Federal databases.	Yes
BX.8b	Federal database checks: Summarize instances of exclusion Summarize the instances and whether the entity was notified as required in 438.602(d). Report actions taken, such as plan-level sanctions and corrective actions.	Found two (2) excluded providers due to Fraud. Found one (1) termination due to Provider death.
BX.9a	Website posting of 5 percent or more ownership control Does the state post on its website the names of individuals and entities with 5% or more ownership or control interest in MCOs, PIHPs, PAHPs, PCCMs and PCCM entities and subcontractors? Refer to §455.104 and required by 42 CFR 438.602(g)(3).	No
BX.10	Periodic audits If the state conducted any audits during the contract year to determine the accuracy, truthfulness, and completeness of the encounter and financial data submitted by the plans, provide the link(s) to the audit results. Refer to 42 CFR 438.602(e). If no audits were conducted, please enter 'No	Puerto Rico did not complete an Triennial audit for Platino in the 2023 reporting year.

such audits were conducted during the reporting year' as your response. 'N/A' is not an acceptable response.

Section C: Program-Level Indicators

Topic I: Program Characteristics

Number	Indicator	Response
C11.1	Program contract Enter the title of the contract between the state and plans participating in the managed care program.	ADMINISTRACION DE SEGUROS DE SALUD DE PUERTO RICO (ASES) and MCO for PROVISION OF MEDICAID WRAPAROUND COVERAGE FOR THE GOVERNMENT HEALTH INSURANCE MEDICARE AND MEDICAID DUAL-ELIGIBLE POPULATION
N/A	Enter the date of the contract between the state and plans participating in the managed care program.	July 2021
C11.2	Contract URL Provide the hyperlink to the model contract or landing page for executed contracts for the program reported in this program.	https://www.asespr.org/beneficiarios/medicare-platino/companias-contratadas/
C11.3	Program type What is the type of MCPs that contract with the state to provide the services covered under the program? Select one.	Managed Care Organization (MCO)
C11.4a	Special program benefits Are any of the four special benefit types covered by the managed care program: (1) behavioral health, (2) long-term services and supports, (3) dental, and (4) transportation, or (5) none of the above? Select one or more. Only list the benefit type if it is a covered service as specified in a contract between the state and managed care plans participating in the program. Benefits available to eligible program enrollees via fee-for-service should not be listed here.	Behavioral health Dental
C11.4b	Variation in special benefits What are any variations in the availability of special benefits within the program (e.g. by service area or population)? Enter "N/A" if not applicable.	N/A
C11.5	Program enrollment Enter the average number of individuals enrolled in this	237,245

managed care program per month during the reporting year (i.e., average member months).

C1I.6

Changes to enrollment or benefits

N/A

Briefly explain any major changes to the population enrolled in or benefits provided by the managed care program during the reporting year. If there were no major changes, please enter 'There were no major changes to the population or benefits during the reporting year' as your response. 'N/A' is not an acceptable response.

Topic III: Encounter Data Report

Number	Indicator	Response
C1III.1	Uses of encounter data For what purposes does the state use encounter data collected from managed care plans (MCPs)? Select one or more. Federal regulations require that states, through their contracts with MCPs, collect and maintain sufficient enrollee encounter data to identify the provider who delivers any item(s) or service(s) to enrollees (42 CFR 438.242(c)(1)).	Rate setting
		Quality/performance measurement
		Monitoring and reporting
		Contract oversight
		Program integrity
		Policy making and decision support
C1III.2	Criteria/measures to evaluate MCP performance What types of measures are used by the state to evaluate managed care plan performance in encounter data submission and correction? Select one or more. Federal regulations also require that states validate that submitted enrollee encounter data they receive is a complete and accurate representation of the services provided to enrollees under the contract between the state and the MCO, PIHP, or PAHP. 42 CFR 438.242(d).	Timeliness of initial data submissions
		Timeliness of data corrections
		Timeliness of data certifications
		Use of correct file formats
		Provider ID field complete
		Overall data accuracy (as determined through data validation)
C1III.3	Encounter data performance criteria contract language Provide reference(s) to the contract section(s) that describe the criteria by which managed care plan performance on encounter data submission and correction will be measured. Use contract section references, not page numbers.	"13.8 14.3.3 15.2.1.2 15.2.1.21"

C1III.4	Financial penalties contract language	17.5.1.3
	Provide reference(s) to the contract section(s) that describes any financial penalties the state may impose on plans for the types of failures to meet encounter data submission and quality standards. Use contract section references, not page numbers.	
C1III.5	Incentives for encounter data quality	N/A
	Describe the types of incentives that may be awarded to managed care plans for encounter data quality. Reply with "N/A" if the plan does not use incentives to award encounter data quality.	
C1III.6	Barriers to collecting/validating encounter data	Ensuring all contractors submit all the encounters, including those from capitated providers.
	Describe any barriers to collecting and/or validating managed care plan encounter data that the state has experienced during the reporting year. If there were no barriers, please enter 'The state did not experience any barriers to collecting or validating encounter data during the reporting year' as your response. 'N/A' is not an acceptable response.	

Topic IV. Appeals, State Fair Hearings & Grievances

Number	Indicator	Response
C1IV.1	State's definition of "critical incident," as used for reporting purposes in its MLTSS program If this report is being completed for a managed care program that covers LTSS, what is the definition that the state uses for "critical incidents" within the managed care program? Respond with "N/A" if the managed care program does not cover LTSS.	N/A
C1IV.2	State definition of "timely" resolution for standard appeals Provide the state's definition of timely resolution for standard appeals in the managed care program. Per 42 CFR §438.408(b)(2), states must establish a timeframe for timely resolution of standard appeals that is no longer than 30 calendar days from the day the MCO, PIHP or PAHP receives the appeal.	"The Contractor shall resolve each Appeal and provide written Notice of the Disposition of the Appeal as expeditiously as the Enrollee's health condition requires but no more than: For standard Appeals, thirty (30) Calendar Days from the date the Contractor receives the Appeal. "
C1IV.3	State definition of "timely" resolution for expedited appeals Provide the state's definition of timely resolution for expedited appeals in the managed care program. Per 42 CFR §438.408(b)(3), states must establish a timeframe for timely resolution of expedited appeals that is no longer than 72 hours after the MCO, PIHP or PAHP receives the appeal.	"The Contractor shall resolve each Appeal and provide written Notice of the Disposition of the Appeal as expeditiously as the Enrollee's health condition requires but no more than: For expedited Appeals, seventy-two (72) hours after the Contractor receives the Appeal. In addition to required written notice, Contractor must make reasonable efforts to provide prompt oral notice of the expedited resolution to the Enrollee."

C1IV.4	State definition of "timely" resolution for grievances Provide the state's definition of timely resolution for grievances in the managed care program. Per 42 CFR §438.408(b)(1), states must establish a timeframe for timely resolution of grievances that is no longer than 90 calendar days from the day the MCO, PIHP or PAHP receives the grievance.	The Contractor shall provide written notice of the disposition of the Grievance as expeditiously as the Enrollee's health condition requires, but no later than thirty (30) Calendar Days from the date the Contractor receives the Grievance.
---------------	--	--

Topic V. Availability, Accessibility and Network Adequacy

Network Adequacy

Number	Indicator	Response
C1V.1	Gaps/challenges in network adequacy What are the state's biggest challenges? Describe any challenges MCPs have maintaining adequate networks and meeting access standards. If the state and MCPs did not encounter any challenges, please enter 'No challenges were encountered' as your response. 'N/A' is not an acceptable response.	The Medicaid portion for Platino population covers limited services only (wraparound services). The MAOs do not have Network Adequacy reporting requirements written in the contract; therefore, no data were reported. The MAOs follow the Medicare requirements for network standards.
C1V.2	State response to gaps in network adequacy How does the state work with MCPs to address gaps in network adequacy?	The Medicaid portion for Platino population covers limited services only (wraparound services). MAOs do not have Network Adequacy reporting requirements written in the contract; therefore, no data were reported. The MAOs follow the Medicare requirements for network standards.

Access Measures

Describe the measures the state uses to monitor availability, accessibility, and network adequacy. Report at the program level.

Revisions to the Medicaid managed care regulations in 2016 and 2020 built on existing requirements that managed care plans maintain provider networks sufficient to ensure adequate access to covered services by: (1) requiring states to develop quantitative network adequacy standards for at least eight specified provider types if covered under the contract, and to make these standards available online; (2) strengthening network adequacy monitoring requirements; and (3) addressing the needs of people with long-term care service needs (42 CFR 438.66; 42 CFR 438.68).

42 CFR 438.66(e) specifies that the MCPAR must provide information on and an assessment of the availability and accessibility of covered services within the MCO, PHIP, or PAHP contracts, including network adequacy standards for each managed care program.

Complete

C2.V.1 General category: Exception to quantitative standard

1 / 1

C2.V.2 Measure standard

The Medicaid portion for Platino population covers limited services only (wraparound services). MAOs do not have Network Adequacy reporting requirements written in the contract; therefore, no data were reported. The MAOs follow the Medicare requirements for network standards.

C2.V.3 Standard type

The Medicaid portion for Platino population covers limited services only (wraparound services). MAOs do not have Network Adequacy reporting requirements written in the contract; therefore, no data were reported. The MAOs follow the Medicare requirements for network standards.

C2.V.4 Provider

The Medicaid portion for Platino population covers limited services only (wraparound services). MAOs do not have Network Adequacy reporting requirements written in the contract; therefore, no data were reported. The MAOs follow the Medicare requirements for network standards.

C2.V.5 Region

The Medicaid portion for Platino population covers limited services only (wraparound services). MAOs do not have Network Adequacy reporting requirements written in the contract; therefore, no data were reported. The MAOs follow the Medicare requirements for network standards.

C2.V.6 Population

The Medicaid portion for Platino population covers limited services only (wraparound services). MAOs do not have Network Adequacy reporting requirements written in the contract; therefore, no data were reported. The MAOs follow the Medicare requirements for network standards.

C2.V.7 Monitoring Methods

The Medicaid portion for Platino population covers limited services only (wraparound services). MAOs do not have Network Adequacy reporting requirements written in the contract; therefore, no data were reported. The MAOs follow the Medicare requirements for network standards.

C2.V.8 Frequency of oversight methods

The Medicaid portion for Platino population covers limited services only (wraparound services). MAOs do not have Network Adequacy reporting

requirements written in the contract; therefore, no data were reported. The MAOs follow the Medicare requirements for network standards.

Topic IX: Beneficiary Support System (BSS)

Number	Indicator	Response
C1IX.1	BSS website List the website(s) and/or email address(es) that beneficiaries use to seek assistance from the BSS through electronic means. Separate entries with commas.	None
C1IX.2	BSS auxiliary aids and services How do BSS entities offer services in a manner that is accessible to all beneficiaries who need their services, including beneficiaries with disabilities, as required by 42 CFR 438.71(b)(2)? CFR 438.71 requires that the beneficiary support system be accessible in multiple ways including phone, Internet, in-person, and via auxiliary aids and services when requested.	N/A
C1IX.3	BSS LTSS program data How do BSS entities assist the state with identifying, remediating, and resolving systemic issues based on a review of LTSS program data such as grievances and appeals or critical incident data? Refer to 42 CFR 438.71(d)(4).	N/A
C1IX.4	State evaluation of BSS entity performance What are steps taken by the state to evaluate the quality, effectiveness, and efficiency of the BSS entities' performance?	N/A

Topic X: Program Integrity

Number	Indicator	Response
C1X.3	Prohibited affiliation disclosure Did any plans disclose prohibited affiliations? If the state took action, enter those actions under D: Plan-level Indicators, Section VIII - Sanctions (Corresponds with Tab D3 in the Excel Workbook). Refer to 42 CFR 438.610(d).	No

Section D: Plan-Level Indicators

Topic I. Program Characteristics & Enrollment

Number	Indicator	Response
D1I.1	Plan enrollment Enter the average number of individuals enrolled in the plan per month during the reporting year (i.e., average member months).	Humana
		14,283
		Triple-S Advantage
		42,443
		MCS Advantage
		100,454
		MMM Healthcare
		80,065
D1I.2	Plan share of Medicaid What is the plan enrollment (within the specific program) as a percentage of the state's total Medicaid enrollment? - Numerator: Plan enrollment (D1.I.1) - Denominator: Statewide Medicaid enrollment (B.I.1)	Humana
		6%
		Triple-S Advantage
		17.9%
		MCS Advantage
		42.3%
		MMM Healthcare
		33.7%
D1I.3	Plan share of any Medicaid managed care What is the plan enrollment (regardless of program) as a percentage of total Medicaid enrollment in any type of managed care? - Numerator: Plan enrollment (D1.I.1) - Denominator: Statewide Medicaid managed care enrollment (B.I.2)	Humana
		6%
		Triple-S Advantage
		17.9%
		MCS Advantage
		42.3%
		MMM Healthcare

Topic II. Financial Performance

Number	Indicator	Response
D1II.1a	Medical Loss Ratio (MLR) What is the MLR percentage? Per 42 CFR 438.66(e)(2)(i), the Managed Care Program Annual Report must provide information on the Financial performance of each MCO, PIHP, and PAHP, including MLR experience. If MLR data are not available for this reporting period due to data lags, enter the MLR calculated for the most recently available reporting period and indicate the reporting period in item D1.II.3 below. See Glossary in Excel Workbook for the regulatory definition of MLR. Write MLR as a percentage: for example, write 92% rather than 0.92.	Humana
		363%
		Triple-S Advantage
		341%
		MCS Advantage
D1II.1b	Level of aggregation What is the aggregation level that best describes the MLR being reported in the previous indicator? Select one. As permitted under 42 CFR 438.8(i), states are allowed to aggregate data for reporting purposes across programs and populations.	Humana
		Other, specify – N/A
		Triple-S Advantage
		Other, specify – N/A
		MCS Advantage
D1II.2	Population specific MLR description Does the state require plans to submit separate MLR calculations for specific populations served within this program, for example, MLTSS or Group VIII expansion enrollees? If so, describe the populations here. Enter "N/A" if not applicable. See glossary for the regulatory definition of MLR.	Humana
		N/A
		Triple-S Advantage

Topic IV. Appeals, State Fair Hearings & Grievances

Appeals Overview

Number	Indicator	Response
D1IV.1	Appeals resolved (at the plan level) Enter the total number of appeals resolved during the reporting year. An appeal is "resolved" at the plan level when the plan has issued a decision, regardless of whether the decision was wholly or partially favorable or adverse to the beneficiary, and regardless of whether the beneficiary (or the beneficiary's representative) chooses to file a request for a State Fair Hearing or External Medical Review.	Humana
		352
		Triple-S Advantage
		644
		MCS Advantage
		2,565
		MMM Healthcare
		2,643
D1IV.2	Active appeals Enter the total number of appeals still pending or in process (not yet resolved) as of the end of the reporting year.	Humana
		9
		Triple-S Advantage
		2
		MCS Advantage
		136
		MMM Healthcare
		119
D1IV.3	Appeals filed on behalf of LTSS users Enter the total number of appeals filed during the reporting year by or on behalf of LTSS users. Enter "N/A" if not applicable. An LTSS user is an enrollee who received at least one LTSS service at any point during the reporting year (regardless of whether the enrollee was actively receiving LTSS at the time that the appeal was filed).	Humana
		N/A
		Triple-S Advantage
		N/A
		MCS Advantage
		N/A
		MMM Healthcare

D1IV.4	Number of critical incidents filed during the reporting year by (or on behalf of) an LTSS user who previously filed an appeal For managed care plans that cover LTSS, enter the number of critical incidents filed within the reporting year by (or on behalf of) LTSS users who previously filed appeals in the reporting year. If the managed care plan does not cover LTSS, enter "N/A". Also, if the state already submitted this data for the reporting year via the CMS readiness review appeal and grievance report (because the managed care program or plan were new or serving new populations during the reporting year), and the readiness review tool was submitted for at least 6 months of the reporting year, enter "N/A". The appeal and critical incident do not have to have been "related" to the same issue - they only need to have been filed by (or on behalf of) the same enrollee. Neither the critical incident nor the appeal need to have been filed in relation to delivery of LTSS — they may have been filed for any reason, related to any service received (or desired) by an LTSS user. To calculate this number, states or managed care plans should first identify the LTSS users for whom critical incidents were filed during the reporting year, then determine whether those enrollees had filed an appeal during the reporting year, and whether the filing of the appeal preceded the filing of the critical incident.	Humana N/A Triple-S Advantage N/A MCS Advantage N/A MMM Healthcare N/A
D1IV.5a	Standard appeals for which timely resolution was provided Enter the total number of standard appeals for which timely resolution was provided	Humana 208 Triple-S Advantage

by plan within the reporting year.
See 42 CFR §438.408(b)(2) for requirements related to timely resolution of standard appeals.

filed). If this does not apply,
enter N/A.

N/A

D1IV.13

**Number of critical incidents
filed during the reporting
period by (or on behalf of) an
LTSS user who previously
filed a grievance**

Humana

N/A

Triple-S Advantage

N/A

MCS Advantage

N/A

MMM Healthcare

N/A

For managed care plans that cover LTSS, enter the number of critical incidents filed within the reporting year by (or on behalf of) LTSS users who previously filed grievances in the reporting year. The grievance and critical incident do not have to have been "related" to the same issue - they only need to have been filed by (or on behalf of) the same enrollee. Neither the critical incident nor the grievance need to have been filed in relation to delivery of LTSS - they may have been filed for any reason, related to any service received (or desired) by an LTSS user.

If the managed care plan does not cover LTSS, the state should enter "N/A" in this field.

Additionally, if the state already submitted this data for the reporting year via the CMS readiness review appeal and grievance report (because the managed care program or plan were new or serving new populations during the reporting year), and the readiness review tool was submitted for at least 6 months of the reporting year, the state can enter "N/A" in this field.

To calculate this number, states or managed care plans should first identify the LTSS users for whom critical incidents were filed during the reporting year, then determine whether those enrollees had filed a grievance during the reporting year, and

whether the filing of the grievance preceded the filing of the critical incident.
