General Information

This document describes the Layout for the Files that ASES sends to the Actuary for the carrier changes of the beneficiaries of the medical assistance program that are assigned to the Health Insurance Plans contracted by ASES for Plan Vital and Medicare Platino.

Process where the file of the beneficiaries who changed their MCO, is sent to the Actuary, to collect the history of the use of claims and meeting of the beneficiary for the Plan Vital and Medicare Platino on the 20th of each month.

The Actuary generates files with the information required for the transition of care of the beneficiaries.

The information on this document is subject to continuous revisions and modifications that will be made available to all parts involved.
