

## Carta Normativa 26-0311

11 de marzo de 2026

**A: Organizaciones de Cuidado Coordinado de Salud (MCOs) contratadas bajo el Plan de Salud del Gobierno de Puerto Rico (Plan Vital), Grupos Médicos Primarios (GMP), Médicos Primarios, Especialistas y Sub-Especialistas, Laboratorios, Centros de Radiología y Proveedores Participantes**

**Re: Efectividad de Medicare Fee Schedule 2025: Tarifas a todos los proveedores de Plan Vital**

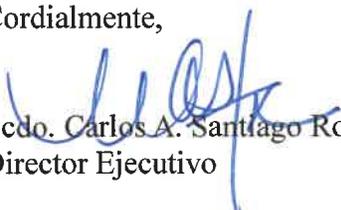

La Administración de Seguros de Salud (ASES) notifica la efectividad de las tarifas del Medicare Fee Schedule 2025 para Puerto Rico. Este tarifario forma parte de una referencia estándar para los reembolsos a los proveedores del Plan Vital.

Las Organizaciones de Manejo de Cuidado Dirigido (“MCO” por sus siglas en inglés) contratadas para la administración del Plan Vital deben utilizar este tarifario como mínimo para el pago de facturas por servicios incurridos a partir del 1 de abril de 2026, fecha de efectividad de esta Carta Normativa.

La implementación de este tarifario conlleva cumplir con los siguientes aspectos:

1. Excluye los servicios capitados.
2. La tarifa mínima para los proveedores de Plan Vital es el porcentaje indicado, según el código de procedimiento. (ver anejo adjunto)

Cordialmente,

  
Lcdo. Carlos A. Santiago Rosario, JD, LL.M., MHSA, FACHE, CHC  
Director Ejecutivo

## Medicare Fee Schedule 2025

| 75% of PR Medicare                                 | 100% of PR Medicare                            | 100% of PR Medicare                                  |
|----------------------------------------------------|------------------------------------------------|------------------------------------------------------|
| Ambulance service supplier                         | Addiction medicine                             | Neurology                                            |
| Medical supply company for DMERC                   | Alcohol/Drug Abuse Treatment Facility          | Neuropsychiatry                                      |
| Medical supply company with certified prosthetist  | All other suppliers                            | Neurosurgery                                         |
| Medical supply company with respiratory therapist  | Allergy/Immunology                             | No Specified Specialty or Blank                      |
| Supplier of oxygen and/or oxygen related equipment | Alternative Medicine                           | Nuclear medicine                                     |
|                                                    | Ambulatory surgical center                     | Nurse practitioner                                   |
|                                                    | Anesthesiologist Assistant                     | Nurse, Non-Practitioner                              |
