Notice of regulatory proceedings

The Puerto Rico Land Authority hereby informs the public that the following regulation, previously approved for internal application, is being submitted to the regulatory process and filed with the Puerto Rico Department of State:

Regulation for the Administration of the Municipal Improvements Fund under the Rural Infrastructure Program

The purpose of this regulation is to establish uniform procedures and controls for administering the Municipal Improvements Fund under the Rural Infrastructure Program. It governs funding requests and transfers, permanent infrastructure works and improvements, construction material vouchers, direct and essential services to residents, project supervision, records, reports, and measures addressing noncompliance.

This process is conducted pursuant to Article IV, Section 6 of the Constitution of Puerto Rico; Reorganization Plan No. 4-2010; Act No. 26 of April 12, 1941, as amended, known as the Puerto Rico Land Act; Section 4050.09 of Act No. 1-2011, as amended, known as the Puerto Rico Internal Revenue Code of 2011; and Acts No. 40-2019, 133-2023 and 38-2017, as amended.

The complete text of the regulation and this notice will be available at www.agricultura.pr.gov . The regulation may also be examined at the Office of Legal Affairs of the Puerto Rico Land Authority, located at 1309 Ave. Fernandez Juncos, San Juan, 00908, Monday through Friday, from 8:00am a 4:00pm.

Interested persons may submit written comments or recommendations or request an oral hearing stating the grounds supporting the request, within thirty (30) days following publication of this notice. Communications must be addressed to Agro. Andrés F. Rosado Martínez, Executive Director of the Puerto Rico Land Authority, and submitted in person at the address and during the hours stated above, by email to vmrivera@agricultura.pr.gov or by mail to PO Box 9745, Santurce, PR 00908-9745.

The Authority will acknowledge receipt of emailed comments within two (2) business days of receipt.
