I. BACKGROUND

The Department of Puerto Rico Land Authority (PRLA) requests approval to cover the design and improvement of Institute Guánica-Pier. The primary business rationale for this project is Safety.

The Institute Guanica-Pier is a wood pier deck built in 1929, located in PR-3116 Los Veterano Avenue km 2.5, Guanica, PR 00647. The wood pier deck has a total length of 70 FT long x 10 FT wide. Its construction is based mostly on buildings of wood walls and ceilings, painted and corrugated metal roof panels, and a wood deck pier. Concrete pedestals/footings were severely damaged by the high winds and flooding in that area during the incident.

The 2017 hurricane season brought insurmountable devastation to Puerto Rico when in the month of September, the Island experienced category four and five storms, Hurricane Irma and Hurricane María. Starting in December of 2019 through the spring of 2020, Puerto Rico experienced the effects of several earthquakes that took place in the southwestern area of the island. As with the 2017 hurricanes, the continuous earthquakes brought devastation and destruction to buildings, houses and as a large part of the real estate in the southwestern area of the island.

The PRLA continues to advance and assure the maximum recovery and guarantee an efficient, effective, and transparent use of available resources from federal programs that provides grants management, project formulation, compliance, and closeout, among other services, for the recovery of Puerto Rico.

In order to prevent or reduce future damages from similar events, the applicant proposed the following mitigation measures:

1. Reinforce, 7 bays each of existing support piers, PVC, filled with concrete. By adding 7 stainless steel cross bracing supports between columns, for added lateral support protection, against storm surges and high winds.

Note: For estimating purposes, we'll be using the 10'x10' S.S. cable assembly repetitive HMP 4 units.

XX. FEDERAL GENERAL PROVISIONS

Because the costs incurred by PRLA under the contract awarded pursuant to this RFP are anticipated to be funded by the Federal Government, the contract shall be also governed by any specific terms and conditions set forth by the awarding federal agency(ies). Attachment L to this RFP includes the general provisions and required clauses under federal and Puerto Rico laws. Respondent shall provide a description of experience in dealing with these and any other applicable provisions and requirements and affirmatively certify that Respondent shall comply.

XXI. INVOICING PAYMENT

All invoices must contain the following language at verbatim:

“We certify under penalty of nullity that no public servant (of the Government of Puerto Rico or indicate the name of the agency that issues the purchase order) will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be given in exchange for the delivery of goods or for services provided is the agreed-upon price that has been negotiated with an authorized representative of the (agency that issues the purchase order). The total amount shown on this invoice is true and correct. The services have been rendered, and no payment has been received in respect thereof.

XXII. SELECTION CRITERIA AND REQUIREMENTS

An Evaluation Committee will review proposals and responses. A panel of reviewers will be gathered and to reach uniformity in the assessment of the proposals, they will be trained on the evaluation rubric that will be utilized to score all proposals. Each proposal will be scored by the reviewers whose scores will be averaged to calculate an overall proposal score.

In evaluating the Proposals, the Evaluation Committee will first consider the completeness and responsiveness of the Respondent’s Proposal. The Proposal evaluation process is organized into three phases:

Phase I - Preliminary Proposal Assessment

Phase II - Proposal Evaluation

Phase III - Site Visits and/or Oral Presentations (if necessary)

The Preliminary Proposal Assessment: Phase I will involve an assessment of the Respondent’s compliance with and adherence to all submittal requirements requested. Proposals which are incomplete and missing key components necessary to fully evaluate the Proposal may, at the discretion of the Evaluation Committee be rejected from further consideration due to “nonresponsive ness” and rated non-Responsive. Proposals providing responses to all sections will be eligible for detailed analysis in Phase II, Proposal Evaluation.

The Proposal Evaluation: In Phase II, the Evaluation Committee will evaluate the extent to which a Respondent’s Proposal meets the service requirements set forth in the RFP. Phase II will include a detailed analysis of the Respondent’s qualifications, experience, cost proposal and other factors based on the evaluation criteria outlined in the Evaluation Criteria Section. As part of the evaluation process, the Evaluation Committee will review the required information for each Proposal received. The Evaluation Committee may also review other information gained by checking references.

The PRLA reserves the right to seek clarification of any information that is submitted by any Respondent in any portion of its Proposal or to request additional information at any time during the evaluation process. Any material misrepresentation made by a Respondent may void the Proposal and eliminate the Respondent from further consideration.

The Respondent may be an individual, corporation, partnership or a joint venture duly organized under the laws of the Government of Puerto Rico. All Respondents, if incorporated, must show they

are in good standing with the Puerto Rico GPR Department (“State Department”). All Respondents that are foreign corporations (out-of-state) must file the necessary documents with the Division of Corporations of the GPR Department requesting authorization to do business in Puerto Rico, which shall have been requested prior to the date of submission of the Proposal hereunder. Failure to demonstrate compliance with this requirement may result in the rejection of the Proposal without further consideration.

Respondent’s Good Standing and Notification of Debarments, Legal Issues, Ownership Structures, and Conflicts: If any of the Respondent’s principals, officers, directors, or partners has been debarred, suspended, or otherwise lawfully precluded from participating in any public procurement activity, the Respondent shall disclose that information in its Proposal. Failure to provide such information and complete Attachment L, Respondent’s Good Standing, Limited Denial of Participation (LDP)/Suspension or Debarment Status, Legal Issues, Ownership Structures, and Conflicts shall result in the rejection of the Proposal.

A. Evaluation Criteria

The Evaluation Committee will comply with all applicable federal and Puerto Rico Laws, Regulations, Executive Orders, and Policy. The Evaluation Committee will review the Respondent’s Proposal to determine overall responsiveness and completeness of the Proposal with respect to the components outlined in the RFP using the following evaluation criteria:

C. Criteria for proposal evaluation are as follows:

The proposer with the highest score will be considered first to be awarded. If two or more of the top-ranking Respondents score within 5 points of each other, PRLA reserves the right (but not the obligation) to request that those Respondents participate in an in-person or telephone interview, revise their offers and/or provide additional written information. If this occurs, only those Respondents will be considered for an eventual contract award. Those Respondents will be provided with the opportunity to make a brief presentation based entirely upon the proposal as submitted to PRLA, and the Evaluation Committee will be able to ask questions related to their review of the Respondent's proposal or consistent with the intent of the RFP. request a Best and Final Offer (BAFO) from Respondents, to be in a better position to award the contract(s).

XXIII. SELECTION OF PROPOSAL IN BEST INTEREST OF PUERTO RICO

PRLA reserves the right to choose the candidate that best complies with the goals and plans expressed in this RFP regardless of the proposed cost.

By submitting a Proposal, each Respondent agrees that if the Proposal is accepted, they will negotiate in good faith and enter a contract with PRLA, for the Term set forth in this RFP (as defined in the Agreement), including all attachments hereto. By participating in this RFP each Respondent also fully understands, acknowledges, and accepts all terms and conditions of this RFP and any amendment thereto, without restriction. The Proposal and any additional information submitted by the Respondent or negotiated between Respondent and PRLA prior to selection, together with this RFP and any addenda hereto, will serve as confirmations of Respondent's full understanding and acceptance of all terms and conditions therein, and Respondents waive any claims contesting the same. Respondent, by submitting a Proposal, acknowledges and accepts that the final agreement with PRLA will include all contract clauses required by 2 C.F.R. Part 200 and FEMA Guidance, as applicable, and that it is able to comply with the requirements therein.

A. Award

Upon completion of scoring and any interviews that may be conducted, the Evaluation Committee will prepare a Notice of Award Recommendation (or cancellation) document with the signature of all Committee members. Once a final recommendation for the award (or cancellation) is made by the Evaluation Committee to the Secretary, the Secretary can accept or determine to cancel the RFP process, before an Agreement is signed. All Respondents shall receive a copy of the final determination.

If awarded, the contracting procedure allows ten (10) calendar days after the award notification to the Selected Respondent to submit all documentation required for contract execution.

XXIV. RIGHT TO REQUEST REVIEW

Respondents shall have the right to contest this Request for Proposal following the procedure established Section 20 of Act 29 of June 8, 2009, known as the “Public-Private Partnership Authority Act”, which in relevant part provides:

A. Right to Review. — Only such Persons that have requested to be evaluated in a procedure of request for qualifications and that have submitted the necessary documents to be evaluated, as per the requirements established by the Authority or by the Partnership Committee, and that have not been qualified, shall be entitled to request a judicial review of such determination. People that have not submitted the documents required by the Authority or the Partnership Committee during the qualification procedures, shall be automatically disqualified and may not request a judicial review of the final qualification determination made by the Partnership Committee.

Likewise, only such Proponents that have been qualified to participate in the procedure for selection of proposals, who have submitted to the Partnership Committee complete proposals and all documents required under the procedures established for Proposal evaluation, but who have not been selected for the award of a Partnership Contract, may request a judicial review of the approval of a Partnership Contract by the Governor or the person onto whom he/she delegates.

Such review may be requested after: (i) the determination not to qualify the Proponent by the Partnership Committee, pursuant to the requirements established in subsection (a) of this Section, to participate in the procedures for the establishment of a Partnership or (ii) the final determination to execute the Partnership Contract with another Proponent, which determination to execute the Contract shall be final after having completed the approval procedures as provided for in Section 9(g)(ii)-(v).

These requests for review must comply with the procedure established in this Section, which shall preempt any other jurisdictional or competence criterion or procedure that would otherwise apply pursuant to other applicable laws and regulations.

B. Request for Judicial Review. — Non-qualified petitioners or non-selected Proponents shall have a jurisdictional term of twenty (20) days counted as of the date of the sending by certified mail of the notice of the Partnership Committee or the Authority of the final determination to file a writ for administrative review with the Court of Appeals by recourse in Aid of Jurisdiction to said Court. An interlocutory resolution by the Partnership Committee or the Authority shall not be reviewable; it may only be reviewed concurrently with the final determination. If the date of notice by the Partnership Committee or the Authority is different from the date of mailing such notice, the term shall be counted as of the date of mailing. The reconsideration mechanism shall not apply before the Partnership Committee or the Authority.

The writ of review shall be issued discretionary by the Court of Appeals. Such Court shall issue a statement on the writ requested within a term of ten (10) days as of the date of filing the resource. The decision of the Court may be to accept the recourse and shall issue a resolution indicating that it shall issue the writ requested, or it may deny it outrightly, in which case, the Court may issue a resolution not stating the grounds. If the Court of Appeals does not issue a statement within ten (10) days following the filing of the recourse or denies the issue of the writ, a jurisdictional term of twenty (20) day shall begin to lapse for resorting to the Supreme Court of Puerto Rico, by writ of certiorari. In the first case, the term shall begin to lapse on the day following the tenth day after having filed the

recourse with the Court of Appeals; however, if the Court of Appeals issues a statement on the recourse, the term shall begin to lapse as of the date of filing in the Court's records a copy of the notice on the resolution, order, or sentence.

If the Court of Appeals accepts recourse, it shall issue a final determination within thirty (30) days of having accepted the same. Otherwise, the Court of Appeals shall lose jurisdiction and the twenty (20)-day term for resorting to the Supreme Court shall begin to lapse on the day following such thirty (30)-day term. The review recourse filed with the Court of Appeals and the writ of certiorari filed with the Supreme Court shall be deemed to be the allegation of the petitioner unless the reviewing Court provides otherwise. If the Court of Appeals issue the writ of review, the party adversely affected by the determination of said Court may resort to the Supreme Court by writ of certiorari within the jurisdictional term of twenty (20) days as of the date of filing in the Court's records the final determination of the Court of Appeals.

C. Notice. —The petitioner before the Court of Appeals or the Supreme Court of Puerto Rico shall give notice, with a copy of the writ, to the Authority, the Partnering Government Entity, the selected Proponent (in the event the award of the Partnership Contract is challenged), the Proponents not selected (in the event the award of the Partnership Contract is challenged), the Persons that were qualified (in the event the qualification by the Partnership Committee is challenged), within the twenty (20)-day term established in Section 20(b), provided, that compliance of such notice shall be a requirement of a jurisdictional nature. All notices under this Section 20(c) shall be made by certified mail. Provided that if the date of notice to the Authority and all other parties is different from the date of mailing of such notices, the term shall be computed from the date of mailing. The Authority and any other party interested may, within ten (10) days of having been notified of the writ of review or certiorari, or within the additional term that the Court of Appeals or the Supreme Court may grant, file its opposition to the issue of the writ.

By submitting a Proposal, or otherwise participating in this RFP, Respondents acknowledge and accept that any judicial review made with respect to any determination regarding this RFP shall be conducted by following the procedures described herein, and that no proceedings may be instituted for judicial review other than following the provisions of Section 20 of Act 29-2009.
