Subject: Termination of the RFP

Dear Proponents,

We hope this message finds you well.

As you may know, the National Telecommunications and Information Administration (NTIA) has terminated the State Digital Equity Planning and Capacity Grant. In their communication, the NTIA states that the decision is final and there is no right of administrative appeal. Therefore, the Puerto Rico Broadband Program will terminate RFP PRBP 2025-DCP-001, effective immediately.

We appreciate and thank you for your participation.

Sincerely,
