

Addendum of Request for Proposals (“RFP”) for Architectural and Engineering (A/E) Professional Services for the Telecommunications Hardening, Resiliency, and Redundancy Program

RFP Publication Date: April 24, 2026
Deadline for Submissions: May 29, 2026
RFP Number: PRBP-2026-CDBG-MIT-01

Addendum log:

Addendum	Date	Description
Addendum A	05/26/26	CDBG-MIT PRDOH Program Clarification

Addendum A – CDBG-MIT PRDOH Program Clarification. This Addendum clarifies that the entirety of this RFP, including all scopes of work, services, and deliverables, is issued exclusively under the Infrastructure Mitigation Program (INFRA-MIT Program) Community Development Block Grant – Mitigation (CDBG-MIT) administered by the Puerto Rico Department of Housing (PRDOH). This RFP is not related to, contingent upon, or governed by any Federal Emergency Management Agency (FEMA) programs, including the Hazard Mitigation Grant Program (HMGP). Any prior references that could suggest FEMA applicability are hereby superseded for the purposes of this procurement. All requirements shall be interpreted and applied solely within the framework of CDBG-MIT program regulations, including 2 C.F.R. Part 200, applicable HUD guidance, and PRDOH policies.

In addition to the detailed information in Addendum A, the rest of the RFP remains in effect as presented and will continue to be in force under the established terms.
