

NB Screens

Nilda Benítez
Carrasquillo
D/B/A NB Screens

Nilda Benitez Carrasquillo D/B/A NB Screens provides professional carpentry, building finishing, and installation services for residential and commercial projects. Our expertise spans finish carpentry, interior finishing, and the installation of custom metal windows and doors. With a proven commitment to precision, durability, and customer satisfaction, NB Screens consistently delivers high-quality results on time and within budget.

CORE COMPETENCIES

NB Screens provides comprehensive construction solutions, including finish carpentry, interior finishing, and installation of metal doors and windows. We offer installation services and full support for residential and commercial contractors.

DIFFERENTIATORS

NB Screens stands out with a strategic sourcing, and end-to-end solutions for finishing, and installation supply. With bilingual operations and strong local expertise in Puerto Rico, we ensure seamless communication and reliable execution across federal and commercial projects.

PAST PERFORMANCE

Completed 20+ residential and commercial projects in Puerto Rico, including high-end custom carpentry, multi-unit metal windows and doors installation of 5,000+ sq. ft. of interior finishes, with proven reliability on fast-track private and government contracts.
