

Café Cibales is a 100% Arabica premium coffee cultivated in the mountains of Puerto Rico, where coffee of exceptional quality has been harvested for centuries. It is an artisan coffee, carefully processed by the Agro-Commercial Cooperative in collaboration with local growers, ensuring quality from farm to cup. Recognized with the Meilleure Qualité award, Café Cibales is distinguished by its rich buttery taste, smoky complexity, and chocolatey aftertaste. This blend represents the legacy and excellence of Puerto Rican coffee tradition.
