#### **MATTERS FOR DISCUSSION**

The Puerto Rico Planning Board is preparing the Four-Year Investment Program 2026-2027 to 2029-2030 for adoption, with the fundamental purpose of promoting the optimal use of resources through the coordination and integration of efforts among different government agencies. Also, the formulation of this dynamic and comprehensive planning tool is intended to enable the financing of programs and projects in each of their development stages, promoting continuity and stability within the context of the existing resource limitations. Consistent with its purpose, the Four-Year Investment Program is a rational effort aimed at improving the planning and programming of public sector activities, both in the short and medium term.
