Dear Sirs and Madams:

On July 1, 2015, the "Compulsory Liability Insurance Selection Form 2015-2016" will begin to be used. So that the process will flow adequately it is important to remember the following points:

- If the owner of the vehicle does not submit the "certificate of compliance" or "voucher" as evidence of having traditional insurance, the owner will have to complete the selection form.
- This form is the only mechanism for the consumer to select the insurer of preference for the Compulsory Liability Insurance when there is no "voucher" or "certificate of compliance."
- Therefore, it is important that you have come in to obtain the selection forms at the same place where you obtain the registration stickers.
- We remind you that the purpose of Public Law 245-2014 is for the owner of the vehicle be the person who has the right to select the insurer of preference at the time of renewing the vehicle registration, even when the name of that person does not coincide with the name on the registration.
- Your responsibility as an authorized entity is to verify the identity of the owner and the owner's representative, if any, and that this information be entered on the form correctly.
- Verify that the selection of the insurer is clear and that the person signs the form.

- To comply with the purpose of the law, the environment should be free of any undue influence.
- The Selection Form will consist of one Original and four (4) copies:
 1. Original white for insured (Stamped)
 2. 1st copy yellow ASC (Stamped)
 3. 2nd copy pink- EA
 4. 3rd copy green selected insurer
 5. 4th copy gold- DTOP- Public Works Dept.
- All authorized entities should stamp the first and second pages of the selection form and give that page to the owner of the vehicle or the owner's representative.
- If you have any questions, you may obtain additional information at the Website www.escogetuseguroobligatorio.com or by calling 787 304-2500, as well as if you want to report any situation that does not comply with the law.
