Mr. Robert F. Mujica, Jr.  
Executive Director  
Financial Oversight and Management Board  
San Juan, Puerto Rico

**Subject: Requests for Approval – Allocation of Joint Resolution No. 11 - 2025**

Dear Mr. Mujica:

The Office of Management and Budget (OMB) respectfully follows up on the status of the Requests (PP) submitted for the Financial Oversight and Management Board's (FOMB) evaluation and approval, as mandated under Section 13 of Joint Resolution No. 11-2025. The referenced Joint Resolution allocated \$15,000,000 for "capital improvements related to economic development, critical infrastructure, health, and public safety of the municipalities of the Government of Puerto Rico, based on project requests submitted by the Legislative Assembly and subject to the approval of the Oversight Board."

As of today, four (4) Requests (PP) have been submitted for your review and approval, representing funding requests for capital improvement projects across 22 municipalities.

Request (PP)	Date submitted	Amount
PP 2026-00018M	22-Aug-25	\$ 2,800,000.00
PP 2026-00019M	25-Aug-25	\$ 8,000,000.00
PP 2026-00020M	28-Aug-25	\$ 2,700,000.00
PP 2026-00022M	10-Sep-25	\$ 1,500,000.00
<b>Total</b>		<b>\$ 15,000,000.00</b>

As part of the documents submitted, a spending and operational plan was prepared for each project. To ensure the investment, the Municipal Management Division of the OMB will be requiring each Municipality to submit quarterly reports on the investment to be made.

Given that the budgetary allocation under Joint Resolution No. 11-2025 has been duly authorized and several weeks have elapsed since the submission of these requests, we respectfully urge the FOMB to grant its prompt approval. Timely action will ensure that municipalities may proceed with procurement and project implementation without incurring avoidable delays, thereby

advancing critical infrastructure improvements and delivering tangible benefits to the communities they serve.

We appreciate your attention to this matter and your continued collaboration in strengthening municipal capacity and promoting the well-being of the citizens of Puerto Rico.

Respectfully submitted,

Orlando Rivera Berrios
