Notice of RFP Cancellation

Reference is made to the Request for Proposals P3A-RFP-2022-002 (“RFP”) issued by the Puerto Rico Public-Private Partnerships Authority (“P3 Authority”) on November 2, 2022, seeking competitive proposals for Procurement and Contract Management Services.

The P3 Authority has canceled the RFP due to specification changes and plans to re-issue a new RFP within the next month. The P3 Authority appreciates the time and effort firms invested in preparing a response for the RFP, and apologizes for any inconvenience this cancellation may have caused.

Once the new RFP is available, the P3 Authority will notify all firms that have submitted a proposal and will also publish a notice on www.p3.pr.gov. Please do not hesitate to contact us at procurements@p3.pr.gov if you have any questions.

Sincerely,

Puerto Rico Public-Private Partnerships Authority
