Re: LUMA Invoice – Disbursement of Funds – November 2020

Dear Mr. Paredes:

We refer to the Operations and Maintenance Agreement dated as of June 22, 2020 (the “**O&M Agreement**”), among LUMA Energy, LLC (“**LUMA**”), LUMA Energy ServCo, LLC (a wholly-owned subsidiary of LUMA), the Public-Private Partnerships Authority (“**P3 Authority**”), and the Puerto Rico Electric Power Authority (“**PREPA**”). Except as provided herein, capitalized terms used but not otherwise defined in this letter have the meaning ascribed to them in the O&M Agreement.

Section 4.6(d) (*Front-End Transition Period Compensation – Invoices*) of the O&M Agreement provides the following:

(i) On or prior to the tenth (10th) day of each month during which Operator is performing the Front-End Transition Services, Operator shall provide Administrator with a monthly invoice describing in reasonable detail the prior calendar month’s Front-End Transition Services and the corresponding Front-End Transition Service Fee for such prior calendar month. All invoices shall comply with the requirements set forth in Section 9.2(c) (Anti- Corruption and Sanctions Laws – Policies and Procedures).

GOVERNMENT OF PUERTO RICO

Puerto Rico Public-Private Partnerships Authority

(ii) Operator shall provide promptly to Administrator such additional supporting documentation evidencing the provision of the Front-End Transition Services, if any, and the calculation of the Front-End Transition Service Fee related thereto as Administrator may reasonably request and as may be required by Applicable Law. Administrator shall promptly advise Operator of any disputed invoice amounts, and all such disputes which Operator and Administrator are unable to resolve shall be subject to resolution as a Technical Dispute in accordance with Article 15 (Dispute Resolution) (any such Dispute, a “Front-End Transition Service Fee Dispute”).

(iii) Payments of undisputed amounts under any invoice shall be due within thirty (30) days of Administrator’s receipt of such invoice.

Pursuant to this section of the O&M Agreement, LUMA provided the P3 Authority with invoice describing the Front-End Transition Services and the corresponding Front-End Transition Service Fee for November 2020 (the “**November Invoice**”).

As part of its review of the Front-End Transition Services invoices, the P3 Authority hired Eclipse Management to evaluate the invoices submitted to it by LUMA. Please find attached as Annex A Eclipse Management’s assessments of the November Invoice (the “**November Invoice Validation Report**”).

Based on both the review of the P3 Authority and Eclipse Management of the June and July Invoices, and pursuant to Section 4.6(d)(ii) of the O&M Agreement, the P3 Authority requested from LUMA additional documentation supporting LUMA’s provision of the Front-End Transition Services in November 2020 (the “**November Supporting Documentation**”). The P3 Authority has received from LUMA the November Supporting Documentation.

Accordingly, the P3 Authority has approved payment to LUMA of the Front-End Transition Service Fixed Fee component of the November Invoice. The P3 Authority has also approved payment to LUMA, of the Front-End Transition Labor component of the November Invoice. To this end, we kindly ask that PREPA

GOVERNMENT OF PUERTO RICO
Puerto Rico Public-Private Partnerships Authority

disburse funds in the amount of US \$ 8,488,237.50 to be paid to LUMA for the work described in the November Invoice.

The balance of the November Invoice will be paid to LUMA once the P3 Authority has had time to conduct its review of the November Supporting Documentation.

Sincerely,

5. FEES & SUPPORTING DOCUMENTS

The fees section of LUMA's October invoice is composed of the following concepts:

- Labor
- Front-End Transition Service (FETS) Fixed Fee
- Pass-Through Costs & Expenses

The amounts for each of these concepts are illustrated in the following picture:

November 2020 LUMA Invoice Validation	Project PR T&D System O&M	Page 11 / 14
	Version 1	Date 12.17.20

5.1. LABOR

Eclipse Management validated the fees per profile. The fees associated with the Upper Management positions (President & CEO, Senior Vice-President, CFO, etc.) were blended and captured as a single rate under the title Vice-President on the O&M Agreement Annex V rate sheet. LUMA correctly applied the fees per profile, as established in Appendix 5 of the O&M Agreement.

LUMA uses a "Web Based Tool" that registers the employees Timesheets. On December 16, 2020 Eclipse Management validated the labor hours on the LUMA "Web Based Tool" and with additional details provided by LUMA, Eclipse Management matched the assigned hours with the activity that was performed.

The validation carried out, took into account employees, positions and hours dedicated to each department or task in order to verify that there were no duplicate tasks or hours worked. Eclipse Management's validation method demonstrates the advancement of the FET and enables a month to month comparison, thus facilitating the advancement and progress tracking of the FET on a percentage basis.

Also, additional detail regarding the Labor part is required, matching the assigned hours with the rates that was performed. Such request has already been made to LUMA.

5.2. FETS FIXED FEE

As per Section 4.6 of the O&M Agreement, the Fixed Fee included in this invoice is a complete monthly fee for the month of November. The following table contains the evaluation of the FETS Fixed Fee.

FEES & SUPPORTING DOCUMENTS VALIDATION					
Year	Total Amount	Month Rate	Complete Month	Amount	Comments
FETS FIXED FEE					
1	\$ 60,000,000.00	\$ 5,000,000.00	30 days	\$ 5,000,000	OK

Based on Eclipse Management's calculation, this amount is correct and should be approved for disbursement to LUMA.

5.3. PASS-THROUGH COSTS & EXPENSES

The Pass-Through Costs & Expenses validation process has not been performed yet. The documentation was uploaded into the VDR on December 13, 2020.

Once Eclipse Management has had time to conduct its review and validation of the information provided by LUMA, Eclipse Management will update the Report accordingly.

We refer to the Operations and Maintenance Agreement dated as of June 22, 2020 (the “**O&M Agreement**”), among LUMA Energy, LLC (“**LUMA**”), LUMA Energy ServCo, LLC (a wholly-owned subsidiary of LUMA), the Public-Private Partnerships Authority (“**P3 Authority**”), and the Puerto Rico Electric Power Authority (“**PREPA**”). Except as provided herein, capitalized terms used but not otherwise defined in this letter have the meaning ascribed to them in the O&M Agreement.

Section 4.6(d) (*Front-End Transition Period Compensation – Invoices*) of the O&M Agreement provides the following:

(i) On or prior to the tenth (10th) day of each month during which Operator is performing the Front-End Transition Services, Operator shall provide Administrator with a monthly invoice describing in reasonable detail the prior calendar month’s Front-End Transition Services and the corresponding Front-End Transition Service Fee for such prior calendar month. (ii) Operator shall provide promptly to Administrator such additional supporting documentation evidencing the provision of the Front-End Transition Services, if any, and the calculation of the Front-End Transition Service Fee related thereto as Administrator may reasonably request and as may be required by Applicable Law. Administrator shall promptly advise Operator of any disputed invoice amounts, and all such disputes which Operator and Administrator are unable to resolve shall be subject to resolution as a Technical Dispute in accordance with Article 15 (Dispute Resolution) (any such Dispute, a “Front-End Transition Service Fee Dispute”). (iii) Payments of undisputed amounts under any invoice shall be due within thirty (30) days of Administrator’s receipt of such invoice.

Pursuant to this section of the O&M Agreement, LUMA provided the P3 Authority with invoice describing the Front-End Transition Services and the corresponding Front-End Transition Service Fee for November 2020 (the “**November Invoice**”).

As part of its review of the Front-End Transition Services invoices, the P3 Authority hired Eclipse Management to evaluate the invoices submitted to it by LUMA. Please find attached as Annex A Eclipse Management’s assessments of the November Invoice (the “**November Invoice Validation Report**”).

Based on both the review of the P3 Authority and Eclipse Management of the November Invoice, and pursuant to Section 4.6(d)(ii) of the O&M Agreement, the P3 Authority has approved payment to LUMA of the Pass-Through Costs and Expenses component of the November Invoice. 5. FEES & SUPPORTING DOCUMENTS

The fees section of LUMA's October invoice is composed of the following concepts:

- Labor
- Front-End Transition Service (FETS) Fixed Fee
- Pass-Through Costs & Expenses

The amounts for each of these concepts are illustrated in the following picture:

5.1. LABOR

Eclipse Management validated the fees per profile. The fees associated with the Upper Management positions (President & CEO, Senior Vice-President, CFO, etc.) were blended and captured as a single rate under the title Vice-President on the O&M Agreement Annex V rate sheet. LUMA correctly applied the fees per profile, as established in Annex 5 of the O&M Agreement.

LUMA uses a "Web Based Tool" that registers the employees Timesheets. On December 16, 2020 Eclipse Management validated the labor hours on the LUMA "Web Based Tool" and with additional details provided by LUMA, Eclipse Management matched the assigned hours with the activity that was performed.

The validation carried out, took into account employees, positions and hours dedicated to each department or task in order to verify that there were no duplicate tasks or hours worked. Eclipse Management's validation method demonstrates the advancement of the FET and enables a month to month comparison, thus facilitating the advancement and progress tracking of the FET on a percentage basis.

The following table contains the global summary of Labor costs, showing:

- the number of hours per position
- the associated hourly rates
- the overall cost per position
