#### Re: LUMA Invoice – Disbursement of Funds – February 2021

Dear Mr. Paredes:

We refer to the Operations and Maintenance Agreement dated as of June 22, 2020 (the "**O&M Agreement**"), among LUMA Energy, LLC ("**LUMA**"), LUMA Energy ServCo, LLC (a wholly-owned subsidiary of LUMA), the Public-Private Partnerships Authority ("**P3 Authority**"), and the Puerto Rico Electric Power Authority ("**PREPA**"). Except as provided herein, capitalized terms used but not otherwise defined in this letter have the meaning ascribed to them in the O&M Agreement.

Section 4.6(d) (*Front-End Transition Period Compensation – Invoices*) of the O&M Agreement provides the following:

(i) On or prior to the tenth (10th) day of each month during which Operator is performing the Front-End Transition Services, Operator shall provide Administrator with a monthly invoice describing in reasonable detail the prior calendar month's Front-End Transition Services and the corresponding Front-End Transition Service Fee for such prior calendar month. All invoices shall comply with the requirements set forth in Section 9.2(c) (Anti- Corruption and Sanctions Laws – Policies and Procedures).

(ii) Operator shall provide promptly to Administrator such additional supporting documentation evidencing the provision of the Front-End Transition Services, if any, and the calculation of the Front-End Transition Service Fee related thereto as Administrator may reasonably request and as may be required by Applicable Law. Administrator shall promptly advise Operator of any disputed invoice amounts, and all such disputes which Operator and Administrator are unable to resolve shall be subject to resolution as a Technical Dispute in accordance with Article 15 (Dispute Resolution) (any such Dispute, a "Front-End Transition Service Fee Dispute").

(iii) Payments of undisputed amounts under any invoice shall be due within thirty (30) days of Administrator's receipt of such invoice.

Pursuant to this section of the O&M Agreement, LUMA provided the P3 Authority with invoice describing the Front-End Transition Services and the corresponding Front-End Transition Service Fee for February 2021 (the "**February Invoice**").

As part of its review of the Front-End Transition Services invoices, the P3 Authority hired Eclipse Management to evaluate the invoices submitted to it by LUMA. Please find attached as Annex A Eclipse Management's assessments of the February Invoice (the "**February Invoice Validation Report**").

Based on both the review of the P3 Authority and Eclipse Management of the February Invoice, and pursuant to Section 4.6(d)(ii) of the O&M Agreement, the P3 Authority requested from LUMA additional documentation supporting LUMA's provision of the Front-End Transition Services in February 2021 (the "**February Supporting Documentation**").

Accordingly, the P3 Authority has approved payment to LUMA of the Front-End Transition Service Fixed Fee component of the February Invoice. To this end, we kindly ask that PREPA disburse funds in the amount of US \$5,000,000.00 to be paid to LUMA.

The balance of the February Invoice will be paid to LUMA once the P3 Authority has had time to conduct its review of the February Labor, Pass-Through Costs & Expenses and Supporting Documentation.

Sincerely, CATTOR

## **1. INTRODUCTION**

Pursuant to Section 4.6 of the Puerto Rico Transmission and Distribution System Operation and Maintenance Agreement ("O&M Agreement") the Puerto Rico Public-Private Partnership Authority as Contract Administrator ("P3A" or "Administrator") has the responsibility and obligation to evaluate in detail the invoices submitted by LUMA on a monthly basis, prior to authorizing the disbursement by the Puerto Rico Electric Power Authority ("PREPA" or "Owner"). The LUMA Invoice Validation Report ("Report") contains P3A' evaluation of the LUMA February 2021 Invoice. The steps taken to evaluate the invoice are shown on the following picture.

Note that this process starts as soon as the invoice from LUMA is received. All the documents submitted by LUMA are stored in a centralized repository, to ease access and use.

## 5.1. **LABOR**

Eclipse Management validated the fees per profile. The fees associated with the Upper Management positions (President & CEO, Senior Vice-President, CFO, etc.) were blended and captured as a single rate under the title Vice-President title on the O&M Agreement Annex V rate sheet. LUMA correctly applied the fees per profile, as established in Annex 5 of the O&M Agreement.

LUMA uses a "Web Based Tool" that registers the employees Timesheets. The Labor validation process has not been performed yet.

Once Eclipse Management has had time to finalize its review of the information provided by LUMA, Eclipse Management will update the Report accordingly.

#### 5.2. **FETS FIXED FEE**

As per Section 4.6 of the O&M Agreement, the Fixed Fee included in this invoice is a complete monthly fee for the month of February. The following table contains the evaluation of the FETS Fixed Fee.

| FEES & SUPPORTING DOCUMENTS VALIDATION                 |                  |                 |         |              |    |  |  |  |

Based on Eclipse Management's calculation, this amount is correct and should be approved for disbursement to LUMA.

#### Re: LUMA Invoice – Disbursement of Funds – February 2021

Dear Mr. Paredes:

We refer to the Operations and Maintenance Agreement dated as of June 22, 2020 (the "**O&M Agreement**"), among LUMA Energy, LLC ("**LUMA**"), LUMA Energy ServCo, LLC (a wholly-owned subsidiary of LUMA), the Public-Private Partnerships Authority ("**P3 Authority**"), and the Puerto Rico Electric Power Authority ("**PREPA**"). Except as provided herein, capitalized terms used but not otherwise defined in this letter have the meaning ascribed to them in the O&M Agreement.

Section 4.6(d) (*Front-End Transition Period Compensation – Invoices*) of the O&M Agreement provides the following:

(i) On or prior to the tenth (10th) day of each month during which Operator is performing the Front-End Transition Services, Operator shall provide Administrator with a monthly invoice describing in reasonable detail the prior calendar month's Front-End Transition Services and the corresponding Front-End Transition Service Fee for such prior calendar month. All invoices shall comply with the requirements set forth in Section 9.2(c) (Anti- Corruption and Sanctions Laws – Policies and Procedures).

(ii) Operator shall provide promptly to Administrator such additional supporting documentation evidencing the provision of the Front-End Transition Services, if any, and the calculation of the Front-End Transition Service Fee related thereto as Administrator may reasonably request and as may be required by Applicable Law. Administrator shall promptly advise Operator of any disputed invoice amounts, and all such disputes which Operator and Administrator are unable to resolve shall be subject to resolution as a Technical Dispute in accordance with Article 15 (Dispute Resolution) (any such Dispute, a "Front-End Transition Service Fee Dispute").

Roberto Sánchez Vilella (Minillas) Government Center, De Diego Ave. Stop 22, San Juan, PR 00907 | PO Box 42001, San Juan, PR 00940-2001

(iii) Payments of undisputed amounts under any invoice shall be due within thirty (30) days of Administrator's receipt of such invoice.

Pursuant to this section of the O&M Agreement, LUMA provided the P3 Authority with an invoice describing the Front-End Transition Services and the corresponding Front-End Transition Service Fee for February 2021 (the "**February Invoice**").

As part of its review of the Front-End Transition Services invoices, the P3 Authority hired Eclipse Management to evaluate the invoices submitted to it by LUMA. Please find attached as Annex A Eclipse Management's assessments of the February Invoice (the "February Invoice Validation Report").

Based on both the review of the P3 Authority and Eclipse Management of the February Invoice, and pursuant to Section 4.6(d)(iii) of the O&M Agreement, the P3 Authority requested from LUMA additional documentation supporting LUMA's provision of the Front-End Transition Services in February 2021 (the "February Supporting Documentation"). The February Supporting Documentation has been received, reviewed, and evaluated.

Accordingly, the P3 Authority has approved payment to LUMA of the Front-End Transition Labor component of the February Invoice. The P3 Authority has also approved payment to LUMA, of the Pass-Through Costs and Expenses component of the February Invoice. To this end, we kindly ask that PREPA disburse funds in the amount of US \$7,644,493.45 to be paid to LUMA for the work described in the February Invoice.

Sincerely,

Fermín E. Fontanés Gómez, Esq. Executive Director Puerto Rico Public-Private Partnerships Authority

#### 1. INTRODUCTION

Pursuant to Section 4.6 of the Puerto Rico Transmission and Distribution System Operation and Maintenance Agreement ("O&M Agreement") the Puerto Rico Public-Private Partnership Authority as Contract Administrator ("P3A" or "Administrator") has the responsibility and obligation to evaluate in detail the invoices submitted by LUMA on a monthly basis, prior to authorizing the disbursement by the Puerto Rico Electric Power Authority ("PREPA" or "Owner"). The LUMA Invoice Validation Report ("Report") contains P3A' evaluation of the LUMA February 2021 Invoice. The steps taken to evaluate the invoice are shown on the following picture.

Note that this process starts as soon as the invoice from LUMA is received. All the documents submitted by LUMA are stored in a centralized repository, to ease access and use.

#### 5.1. LABOR

Eclipse Management validated the fees per profile. The fees associated with the Upper Management positions (President & CEO, Senior Vice-President, CFO, etc.) were blended and captured as a single rate under the title Vice-President title on the O&M Agreement Annex V rate sheet. LUMA correctly applied the fees per profile, as established in Annex 5 of the O&M Agreement.

LUMA uses a "Web Based Tool" that registers the employees Timesheets. On March 18, 2021 Eclipse Management validated the labor hours on the LUMA "Web Based Tool" and with additional details provided by LUMA, Eclipse Management matched the assigned hours with the activity that was performed.

The validation carried out, took into account employees, positions and hours dedicated to each department or task in order to verify that there were no duplicate task or hours worked. Eclipse Management's validation method demonstrates the advancement of the FET and enables a month to month comparison, thus facilitating the advancement and progress tracking of the FET on a percentage basis.

The following table contains the global summary of Labor costs, showing:

- The number of hours per position
- The associated hourly rates
- The overall cost per position
