Re: Request for Information

Ladies and Gentlemen:

Reference is made to the Puerto Rico Transmission and Distribution System Operation and Maintenance Agreement dated as of June 22, 2020 “O&M Agreement” among (a) the Puerto Rico Electric Power Authority (“PREPA”), a public corporation and governmental instrumentality of the Commonwealth of Puerto Rico, created by Act No. 83 of the Legislative Assembly of Puerto Rico, enacted on May 2, 1941, (b) the Puerto Rico Public-Private Partnerships Authority (“P3 Authority”), a public corporation of the Commonwealth of Puerto Rico, created by Act No. 29 of the Legislative Assembly of Puerto Rico, enacted on June 8, 2009, (c) LUMA Energy, LLC (“ManagementCo”), a limited liability company organized under the laws of Puerto Rico and (d) LUMA Energy ServCo, LLC (“ServCo” and, together with ManagementCo, “LUMA”), a limited liability company organized under the laws of Puerto Rico.

On August 19, 2022, LUMA reported that there was a service interruption in Gurabo that was caused by a tree that fell onto the power lines.

Pursuant to Section 6.2(v) of the O&M Agreement, the P3 Authority requests LUMA to: (i) provide a detailed explanation of what happened; (ii) identify which were the lines affected; (iii) express if this incident was due to lack of vegetation management; (iv)

detail when was the last time that the area affected received vegetation management services.

The P3 Authority kindly requests that the information requested above be provided by no later than September 12, 2022.

Sincerely,

Sheila Torres-Sterling
