Re: Mrs. Sonia Barreto Colón Recruitment

Dear Mr. Hurtado:

The P3 Authority became aware through the local media that Ms. Sonia Barreto Colón, convicted of federal fraud, allegedly holds the position of Executive Assistant of Health Safety Environmental Quality (HSEQ) at LUMA. As a result of this situation, the P3 Authority has the duty as Administrator of the O&M Agreement to request from LUMA the information necessary to know the details of the apparent recruitment of Mrs. Barreto Colón.

To such effect, please provide the following information in regard:

1. Confirmation of Ms. Barreto Colón's recruitment as an employee of LUMA. If so, provide the time she has been working for the company.
2. The parameters used by LUMA in its recruitment process.
3. Copy of LUMA recruitment policy.
3. Inform whether LUMA had knowledge of Ms. Barreto's federal conviction prior to her recruitment, and if so, provide information on the justification for recruiting her.

4. Report whether a background check was included as part of the recruitment process.

5. If a Good Conduct Certificate was required to Mrs. Barreto prior to extending the offer of employment, please submit a copy.

The P3 Authority kindly requests that the information requested above be provided by no later than April 21, 2023.

Sincerely,

Ángel G. González
