Subject: REFERENDUM - Request for Proposal PREPA T&D System (Potential Conflict of Interest)

Dear Members of the Partnership Committee,

In accordance with Article 8(b) of Act No. 29-2009, as amended, known as the Public Private Partnerships Act ("Act 29") and Section 3.4 of *Regulation for the Procurement, Evaluation, Selection, Negotiation and Award of Partnership Contracts and Sale Contracts for The Transformation of the Electric System Under Act No. 120-2018, as Amended* (the "Regulation"), the Puerto Rico Public Private Partnerships Authority (the "Authority") hereby submits for your consideration a request to approve the draft version of a letter from the Authority and the Partnership Committee ("PC") in response to IEM's July 10, 2019 communication (attached herein) regarding the potential conflict of interest that may arise from their participation in the Request for Proposals for Puerto Rico Electric Power Transmission and Distribution System RFP 2019-2 ("RFP") approved by the Partnership Committee (the "PC") on February 1, 2019.

For your benefit, in addition to IEM's letter dated July 10, 2019, the Authority also includes a copy of the communications between the Authority and the Quanta, Atco and IEM Consortium conducted via PowerAdvocate with regards to this matter.

To that effect, the Authority respectfully requests the Members of the PC to, in the exercise of their responsibilities under Act 29 and the Regulation, approve the draft letter (included herein) in response to IEM's letter dated July 10, 2019. Unanimous written consent from all Members of the PC is required to approve this Addendum No. 2.

Please provide your votes no later than Thursday July 25, 2019. As previously stated, all of the Members of the PC must submit a vote in favor of the proposed modifications in order to become approved.

Please reply to all of the other Members of the PC.

Thanks,

Isis Pérez
