

FE DE ERRATA

Puerto Rico Innovation & Technology Service (PRITS)
Service Contract Opportunity Notice
PRITS-2026-002 - Project Management Services

Original Publication Date: March 24, 2026

Published at: prits.pr.gov/avisos-de-contratacion

Purpose: PRITS seeks to procure specialized Project Management Services to oversee, coordinate, and support the implementation of cybersecurity projects funded through the State and Local Cybersecurity Grant Program (SLCGP).

Erratum Notice

PRITS hereby issues this Fe de Errata to correct an error identified in the document titled Service Contract Opportunity Notice PRITS-2026-002 Project Management Services.

Correction Details

Location of Error: Page 7

Issue: The document incorrectly referenced the grant award number EMW-2022-CY-00035.

Corrected Text

The correct reference should read:

“Grant Award No. EMW-2023-CY-00030-S01, as well as any subsequent DHS SLCGP grant awards, to the extent permitted under all applicable laws, regulations, and governing grant requirements.”

Validity

All other sections of the original document remain unchanged and in full force.
