Subject: Extension of the terms for issuance of responses for the Service Contract Opportunity Notice (SCON PRITS-2026-004) Business Continuity & Disaster Recovery Plans and Template Developments

On August 21st, 2026, the Puerto Rico Innovation and Technology Service (“PRITS”) published on its portal Service Contract Opportunity Notice (SCON) PRITS-2026-004 to establish contract(s) for services for Business Continuity & Disaster Recovery Plans and Template Developments. Through the SCON it was informed that the issuance of responses would be August 28th, 2026.

To that effect, it is hereby notified that the issuance of responses will be September 1st, 2026, and the deadline to submit proposals will be September 6th, 2026.
